BIG SEAPLANE
BUSTS RECORD
FOR NON-STOP

At 8 O'clock Navy Craft, PN-9, Had Flown Continuously for More Than 22 Hours

BOSTON PLANE WRECKED

Five Balloons Hop Off in National Elimination Race in Southeastern Missouri

BULLETIN
Philadelphia — After having flown without stop for 28 hours and 36 minutes, the naval seaplane PN-9 landed at the navy yard at 2:58 Saturday.

Philadelphia, Pa. — At 7:55 o'clock Saturday morning the giant naval seaplane PN-9 was still in the air having flown continuously for approximately 22 hours, over a 40-mile course above the Delaware river.

The all-metal hulled plane was piloted by Lieutenants J. R. Kyle and C. H. Schildauer, with Captain L. M. Woolson and Charles Sutter as mechanics. An average speed of 80 miles an hour was being maintained. The PN-9 which hopped off at the Philadelphia navy yard Friday at 10:22 a. m. on a 30-hour non-stop flight, at daybreak Saturday had exceeded the former world's non-stop endurance record for seaplanes by more than three hours. The former mark of 14 hours, 53 minutes, 42 seconds was established by Lieut. F. W. Weed and J. D. Price at Washington on July 11 and 12, 1924.

The PN-9 was constructed at the Philadelphia navy yard and is to be used in a non-stop flight this summer from San Francisco to Honolulu.

PLANE CRASHES

Boston — A national guard plane taking off at Boston airport shortly after 11 o'clock Saturday crashed on the mudflats of the harbor from a height of 800 feet. The machine was seen to drive deep into the ground. Both occupants of the plane were alive when help reached them and they were rushed to a relief station in East Boston. The pilot was Lieut. Alexander McCauley and the passenger was Private McPhee.

Physicians reported that Lieut. McCauley was dangerously hurt and that they believed his skull had been fractured. Private McPhee's injuries were minor.

BALLOONS RACE

St. Joseph, Mo. — Daylight Saturday saw five balloons in national elimination race headed southward, probably over southern or southeastern Missouri. National Aeronautic association officials early Saturday anxiously awaited word from the balloons that left Rosecrans field here late Friday to contest for the honor of representing the United States in the international balloon race. The balloons were piloted by Captain H. E. Honeywell, veteran of 25 years experience, W. T. Van Orman, winner of the race last year, Herbert V. Thaden and Lieut. William F. Flood, are those contesting for the coveted positions in the international event. The three balloons finishing in the lead are eligible to enter.

DROPPED MESSAGES

Each pilot was to drop messages telling of his position, speed and experiences. The messages are to be delivered to N. A. A. officials here and to the Associated Press. The big bags headed toward the southeast and the Memphis, Tenn., where they would follow that course to the vicinity of Memphis, Tenn., where they would head eastward with the wind toward the Atlantic coast.

BLAINE GIVES PARDON TO DRY LAW OFFENDER

Madison — Governor Blaine Saturday announced the conditional pardon of Harry Barry of Madison, sentenced Feb. 21 to eight months in the house of correction for seven years prohibition law violation. The executive stated that Barry's family was destitute, declaring that "little children must not suffer because of the bludgeon of prohibition fanaticism that constantly raised threateningly over the heads of public officials."

HAWAIIAN PEOPLE
CAPTURED BY FUN
SEEKING MARINES

Honolulu — The Hawaii Islands surrendered without a struggle Saturday to the attacking forces—enlisted men from the visiting United States grand fleet—who swarmed to all points of amusement and historic interest here while officers of the army and navy continued the serious labor of attempting to determine the winner of the recent sham battle against the Oahu Island defenses.

What ever differences of opinion existed in the secret session Saturday as to why the island was surrendered to the "attacking" forces, the "captured" populace received the invading enlisted men with traditional open-armed hospitality.

MEXICO GENERAL
BRAVES TORTURE
TO SAVE JEWELS

Scorched by Flames, Aged Man Refuses to Divulge Secret of Opening His Safe

Mexico City — General Francisco Romero, retired, a veteran of the old federal army and member of one of the wealthiest families in Mexico, withstood torture when robbers last Wednesday night endeavored to force from him the combination of his safe. It is learned.

The criminals, eight in number, entered the Romero home two blocks from the city hall, bound and gagged two servants and then confronted the general. When he smiled at their leveled guns and refused to give the combination of the safe they seized him, and lighting pages torn from a book, applied the flames to his bare feet.

The old fighter still refused to yield. The robbers then brought his sister to witness the torture, and she fearing they would kill him gave the desired information.

The robbers then rifled the safe and escaped with the family jewels estimated to be worth \$13,000.

JURY FINDS PUBLISHER
GUILTY ON LIBEL COUNT

Minneapolis — A. N. Jacobs, publisher of a magazine in Minneapolis Saturday was found guilty of a charge of criminal libel in connection with printing of a story charging former Senator Magnus Johnson with disorderly conduct.

The jury, however, recommended to Judge Frank M. Nye, that leniency be shown in the sentence. A stay of sentence for 10 days was granted.

WEATHER MAN PREDICTS
RAINS FOR NEXT WEEK

Washington, D. C. — Weather outlook for the week beginning Monday, Region of Great Lakes: Period of showers early part and again later half, temperatures normal or above.

HOOVER HANDED
LIFE SENTENCE

Judge Says He Is Sorry He Cannot Impose Capital Punishment Upon Murderer

Waukegan — Judge A. H. Reid, of Waukegan, sitting on the bench of the municipal court here Saturday sentenced Wendell Hoover, 22, convicted by a jury on a charge of first degree murder to life imprisonment.

In pronouncing the sentence Judge Reid told Hoover that ordinarily he was not in favor of the capital punishment, but if the laws of Wisconsin had permitted the extreme penalty, he believed the court would be justified in pronouncing such a sentence.

Hoover was convicted of killing Mrs. Vera L. Roschard in her apartment here Dec. 17, 1924. The woman's body was found lying on the kitchen floor, with a knife wound through her heart and her throat slit. Hoover was arrested when fleeing the building.

HIS FIRST GRANDCHILD

Robert Sucher LaFollette, 5 months old, is shown here making his first public appearance with his grandfather, Senator Robert M. LaFollette. Robert LaFollette III, is the senator's only grandchild.

Reorganized State G. O. P.
To Canvass Each Precinct

By Associated Press
Oshkosh — It is the purpose of the reorganized Republican party of Wisconsin to build "from the precinct up" in preparing for a vigorous campaign for the election of 1926.

At the meeting here Friday of the executive committee of the party, definite steps were taken to enlarge the membership and carry on a campaign of education in all parts of the state.

By-laws were adopted and provision was made for eight committees, namely, those for management, membership, legislation, finance, publicity, credentials, auditing and state convention. While most of the membership on these committees was decided, others are yet to be chosen and on account of that fact the executive committee declined to announce the personnel at this time.

It will be the duty of membership committee to organize every part of the state from the precinct up and the convention committee will make plans for holding a state Republican convention in 1926 in which every delegate will have to have credentials of pledging full support to the platform of the national republican convention.

One of the important features of the meeting here was the adoption of a "proclamation to the citizens" in which were set forth in principles and purposes of the new movement.

The introduction to the proclamation is in part as follows: "The purpose of the conference and of this committee is to perfect an organization of the 'Republican' citizens of Wisconsin."

"Principles proclaimed by the National Republican platform and as expressed in party achievements are standards of our political belief. "Our activities now and in the future are pledged to definite proposals in accord with Republican principles of government."

"In Wisconsin we believe a return to a Republican system of government will be secured through the efforts of an aggressive organization which submits facts and truth to the people."

"We further believe that the evils of misgovernment extravagantly administered with an attendant army of political tax-consuming beneficiaries, the lack of coordinating systems in the conduct of the state's business and the enormous and ever-climbing assessments and taxes, direct and indirect, upon the citizens of this state, cannot be relieved except through political action and the return of party responsibility to the people."

"With these openly declared purposes meeting the needs of so urgent a political situation as confronts the welfare of Wisconsin with a firm purpose of reestablishing that system of government in Wisconsin, so productive of our growth, stability and progress, we appeal to the citizenship of this state. This movement asks the support and cooperation of all, seeking only such results as in our opinion can be secured only through political agitation."

DETAIN FIVE
MEN IN GARY
MURDER QUIZ

Police Doubt Identification of Maimed and Burned Woman as Mrs. Desidero

By Associated Press
Gary, Ind. — Five men were held here and in Chicago Saturday in connection with the mystery of the burned and maimed body of a young woman found Sunday near here, but questioning them failed to pierce materially the blank wall against which investigators found themselves after a week of efforts.

The belief, at first positive, that the woman was Mrs. Josephine Desidero, 21-year-old mother of three children which wandered Friday, was further shaken Saturday when James A. Brown, Port Wayne, Ind., said the body resembled his missing niece, Mrs. Mabel Wahls Miller, 23, formerly of Port Wayne.

Brown, with Samuel Jackson, Allen, Ind., prosecutor and Samuel Miller, Port Wayne deputy sheriff, caused the detention in Chicago of Ellsworth C. Miller, husband of Brown's niece. The uncle told the police that Miller and his wife were married two years ago in Cedar Rapids, La., and that there frequently was trouble between them. Six weeks ago, Brown said, Miller and his niece visited Brown in Port Wayne and later left. From then until last Monday Brown said, he had not heard from them. Then he was told by Miller that his wife had been missing since April 6.

HOLD OTHERS

Three other men taken in Chicago, were Fred and Harry Desidero, brothers of Luis Desidero, husband of Josephine, and Claud A. Ferini, their cousin. They were brought there for questioning.

They denied knowing the whereabouts of the husband, who is sought by the police, and said they had opposed his marriage to the girl.

Also held in Gary was Samuel Ross who added his identification of the body as that of Mrs. Desidero to the recognition made by the parents, Mr. and Mrs. Bernardo Genero of Gary. Their identifications, however, were discounted after William J. Smardon, a Gary constable, said he had talked to Mrs. Desidero last Tuesday, three days after the body was found.

ADMIT WISCONSIN "U"
TO EXTENSION GROUP

Charlottesville, Va. — Leon G. Richardson of California was elected president of the National University Extension association in connection with the National University Extension association at the concluding meeting Saturday of its tenth annual meeting at the University of Virginia. The University of Wisconsin and Louisiana State university were admitted to the association bringing the total membership of Universities to 49.

BURNED BY INCUBATOR,
KILBOURN WOMAN DIES

By Associated Press
Portage — Mrs. A. Miller, 55 years old, died of burns received on her farm home near Kilbourn Friday. The woman's dress caught fire while she was attending a chicken incubator.

MOROCCO TRIBES
ATTACK FRENCH

Carry Fight at Front of 60 Miles With Fez as Their Principal Objective

Special to Post-Crescent
Fez, Morocco — Moroccan tribesmen operating under the orders of Abd-el-Krim, the rebel leader, are attacking the French zone over a front of 60 miles. At some points they have surrounded French posts where small detachments are defending themselves in blockhouses.

The French military authorities here are of the opinion that the rebel leader has a vast project in mind. The direction of the attacks thus far made by the tribes in their offensive indicates a plan for a converging movement upon this city.

There is no serious apprehension for the isolated posts, which are provided with machine guns and three-inch pieces.

Reinforcements now on the way will bring the total of French forces in the zone of activity to 20,000.

Europe Officials May Hold
Conferences By Radio Soon

BY DAVID LAWRENCE
Copyright 1925 by the Post Pub. Co. Washington, D. C. — An international debate on the air between the prime minister of Great Britain, the premiers of France and Italy, with a discourse, too, from the head of the Soviet government is all within the realm of practical radio development in the next few years, according to government officials here who are beginning a survey of radio as it relates to world wide propaganda.

America is already in the lead in building the most effective radio broadcasting station in the world. It will be finished in a few months and from a point near Morristown, N. J., there will be sent out voices that will reach virtually every corner of a radio set in this country and Canada.

The new super-broadcasting station will not interfere with existing stations and will be operated in accordance with the expressed wishes of the department of commerce so that there will be an improvement of, rather than an impediment, to present broadcasting entertainments.

The government cannot regulate under present law except to allocate wave lengths, but the larger radio companies have been willing to defer to Secretary Hoover's judgement so that conflict be reduced to a minimum.

Europe has not been alive to the possibilities of radio as a means of influencing public opinion, but it would not be surprising if the experiment conducted by the Radio Corporation of America, led to the construction of similar stations abroad. The Radio corporation is primarily interested in developing good programs for American consumption but it will be possible for government officials to make addresses on the radio which can be picked up outside the United States.

Europe has not yet recognized the radio as a possible means of developing better relations between the various nations but inasmuch as the cost of erecting a powerful station is relatively little the chances are that it will be ultimately considered worthwhile for Great Britain to spend a million dollars to reach public opinion in continental Europe with any messages desired.

Distances are much less in Europe than in the United States, and one station in any European country could reach the peoples of other countries.

It costs \$30,000,000 to build a battleship, which is considered as essential to one means of war prevention—namely preparedness—so it will not be difficult for the advocates of peace to urge the erection of a \$1,000,000 broadcasting station from which the voice of reason may be proclaimed in Europe.

The press of some European countries has always been censored or at least influenced to that material from other countries was either suppressed or abbreviated. With a broadcasting station, however, of immense power and range, there would be little chance for censorship except by deliberate mechanical interference.

An international convention to discuss various problems connected with radio is being planned but it will not be able to go beyond the point of localizing hours for the various countries and wave lengths so as to eliminate interference. Each nation will in the natural course wish to retain its right of free speech to the rest of the world.

LOADED SMOKES SCARE
FRENCH FAG SMOKERS

By Associated Press
Paris — Cigarette smokers in France are applying the match with trepidation these days reports from various sections of the country telling of smokers burned about the face or hands by the explosion of tiny capsules concealed in the tobacco.

The motive of the person "loading" the cigarettes is as much of a mystery as their identity.

PENCIL KING RETIRES,
AIDS PUBLIC SERVICE

By Associated Press
New York — Philip Berolzheimer, city clerk chamberlain, has disposed of his interests in the Eagle Pencil company, of which he was president, and would devote the remainder of his life and his fortune—estimated at \$6,000,000 to public service and philanthropy.

Mr. Berolzheimer is 57 years old and in excellent health. He sold all his holdings in the Pencil company to his three nephews.

EXPOSE PLOT IN
DERAILED TRAIN

Believe Communists or German Nationalists Did Job to Oppose Polish Corridor

Stargard, Poland — The commission investigating the derailling of the Bydgoszcz-Berlin express near here Friday found Saturday that it resulted from a criminal act. No trace of the perpetrators has yet been found.

MICHIGAN AGRICULTURE
SCHOOL CHANGES NAME

Lansing, Mich. — The Michigan Agricultural college will become the Michigan State College of Agriculture and Applied Science on May 12, the state eighth anniversary of its founding. This was assured Saturday by the signatures of Governor Alex. Brodie, back of a bill proposing the change.

Special ceremonies for the renaming are being planned. The legislature has agreed upon appropriations for the college totaling \$1,041,000 for buildings and \$725,000 for current expenses in addition to the \$1,000,000 a year received from the state taxes. Those killed were Germans.

BROTHER AND
WIFE OF SHIP
CAPTAIN LOST

Schooner Nova Scotia Goes Down Within Three Minutes After Ram by Lightship

ARE LASHED BY WINDS

Crew of One Steamer Manages to Reach Shore but That of Other Is Left Afloat

Halifax, N. S. — The North Atlantic, heavily mantled with fog and lashed by a driving easterly wind and rain, has taken a toll of five lives. Two steamers and one three-masted schooner, since Thursday afternoon, the crew of one of the steamers at last reports, still was in imminent danger.

The Nova Scotia schooner, Cape D'Oro, went down Thursday night three minutes after being rammed by the steamer Clackamas off Sambro lightship.

Mrs. Margaret Leone Wilkie, wife of the captain, and four of the crew including the captain's brother, were drowned. Captain Wilkie and two other men were rescued.

Two steamers, the Azov, ashore on the southern Cape Breton coast, and the Moldogard, a Norwegian boat, ashore off Penzance, were expected to be total losses.

According to last reports Friday night both boats were being pounded to pieces by the high seas. Twenty-five men aboard the Azov managed to reach shore in their boats; but the crew of Moldogard was unable to do this, and seats were running too high to permit the dominion government to attempt a rescue. The Azov's approach, figures were held out, a rescue might be affected Saturday morning.

500 SALVATION ARMY
YOUNG FOLK CONVENE

Milwaukee — Delegations from 30 Wisconsin and upper Michigan cities are attending the divisional young people's conference of the Salvation Army which opened here Saturday and will continue through Monday.

More than 500 young people, between the ages of 11 years to college age who are being trained in the service will attend the convention. Saturday night the main demonstration of the meeting will be had when a parade, headed by the young people's band of Calumet, Mich., and another from Racine will lead the march.

DEATH CLAIMS WORLD
HEAD OF DOMINICANS

New York — Word was received here of the death in Rome Saturday morning of the Most Rev. Louis Thellessing, master general of the dominican order and head of the order throughout the world.

A cablegram announcing his death was received here by the Very Rev. Raymond Meagher, provincial of the Dominicans in the eastern part of the United States.

15-YEAR YOUTH HANGS
SELF AFTER SCOLDING

By Associated Press
Milwaukee — Ray Mrowczynski, 15, hanged himself in the attic of his home late Friday. The boy had repaired an automobile tire and was chided for having done the work poorly.

Signs of life were noticeable when the body was found suspended from the rafters, but medical physicians worked for more than an hour, they were unable to revive him.

ST. MARY GRADS TO TAKE PART IN SCHOOL PROGRAM

Boys and Girls Present "Rescued by Radio" as Part of Commencement Exercise

Commencement exercises of St. Mary school will be held at 8 o'clock Sunday evening in Columbia hall, with the presentation of the play, "Rescued by Radio." This is the first time in the history of the school that the boys and girls of the eighth grade have given a play together at commencement time. The choir girls will sing two numbers, "Overture" by Christiant, and "Song of Joy" by Padewski. This will be followed by a May pole dance with the following eighth grade girls taking part: Marguerite Butke, Kathleen Frieders, Mary Ellen Hawley, Estelle Kaphingst, Veronica Letter, Adeline Smith, Hallice Scholl, Frances West, Anna Ellenbecker, Ruth Gosha, Jane Janda, Margaret La Plant, Genevieve Metell, Eunice Scholl, Monica Van Ryzin and Ramona Wood. The St. Mary boys chorus under the direction of Dr. Earl Baker will present, "Friendship," by W. E. Haeshe; "Stars of the Summer Night," by I. B. Woodbury; "Our School Will Shine Tonight," by Ella Probst, and "The Bee," by Ella Probst, and "The Play," "Rescued by Radio" tells the story of the wave lengths registering a kidnapping, an escape, a hold up and a stray message which reads, "Craig's Head. Eleven." Other events bring about an exciting rescue and a surprising revelation in regard to two mysterious visitors. The cast includes: "Madge," the hostess, Margaret Heckel; "Janet," a guest at the house party Helen Durscher; "Bab," her younger sister, Nona Nemacheck; "Helen" and "Marie," other guests, Marguerite Bushey and Hyacinth Dagen; "Lucia," a strange visitor, Bernadette Janda; "Kitty," a maid, Ellen McClellan; "Miss Price, a young nurse, Margaret Crabbe; "Ray," Madge's youngest brother, Harold McGinnis; "Clem" and "Burr," his guests at the house party, Edward Dolne and John Lutz; "Robbin," another strange guest Willard Tillman; "Kito," a Japanese boy, Willard Kiley. Numbers on the piano will be presented by Margaret Heckel, Frances West and Dorothy Bailey.

A class of 33 will graduate this year. The class officers are, President, Margaret Heckel, vice president, Monica Van Ryzin, secretary, Gertrude Edgerton and treasurer, Elaine Smith. The sweet pea was chosen by the class for the class flower, and the class motto is "Courageously and Honorably."

CALL POLICE TO PUT QUIETUS TO "BOO GANG"

Appleton police department was called to the vicinity of Appleton Junction Thursday evening when a year-old boy who was playing near his home, was taken by three boys and plunged into the water tank at the junction. The boy is not very strong and it was feared serious injuries might result from the prank. Complaints were made that older boys in the vicinity have been whipping smaller children and in other ways have made themselves a nuisance.

REV. WILSON RESIGNS AS RECTOR OF CHURCH

The Rev. C. A. Wilson offered his resignation as rector of All Saints church at a meeting of the vestry this week. Mr. Wilson has accepted a call to Trinity church at Baraboo, where he was formerly stationed for nine years. He intends to continue his duties at All Saints church, however, until a new rector is secured.

OCONTO GIRL ELECTED TO HONORARY FRAT

Bernice Porterfield, Oconto, has been the only member of the college Junior class elected to Phi Beta Kappa this year. Phi Beta Kappa is the national honorary fraternity for recognizing excellence in scholarship, and election in the junior year is only given to students of exceptional merit. Miss Porterfield has gained honors in different phases of college fraternity. She was recently elected president of the Y. W. C. A. and to Moratorium, honorary secretary for senior women.

The Weather

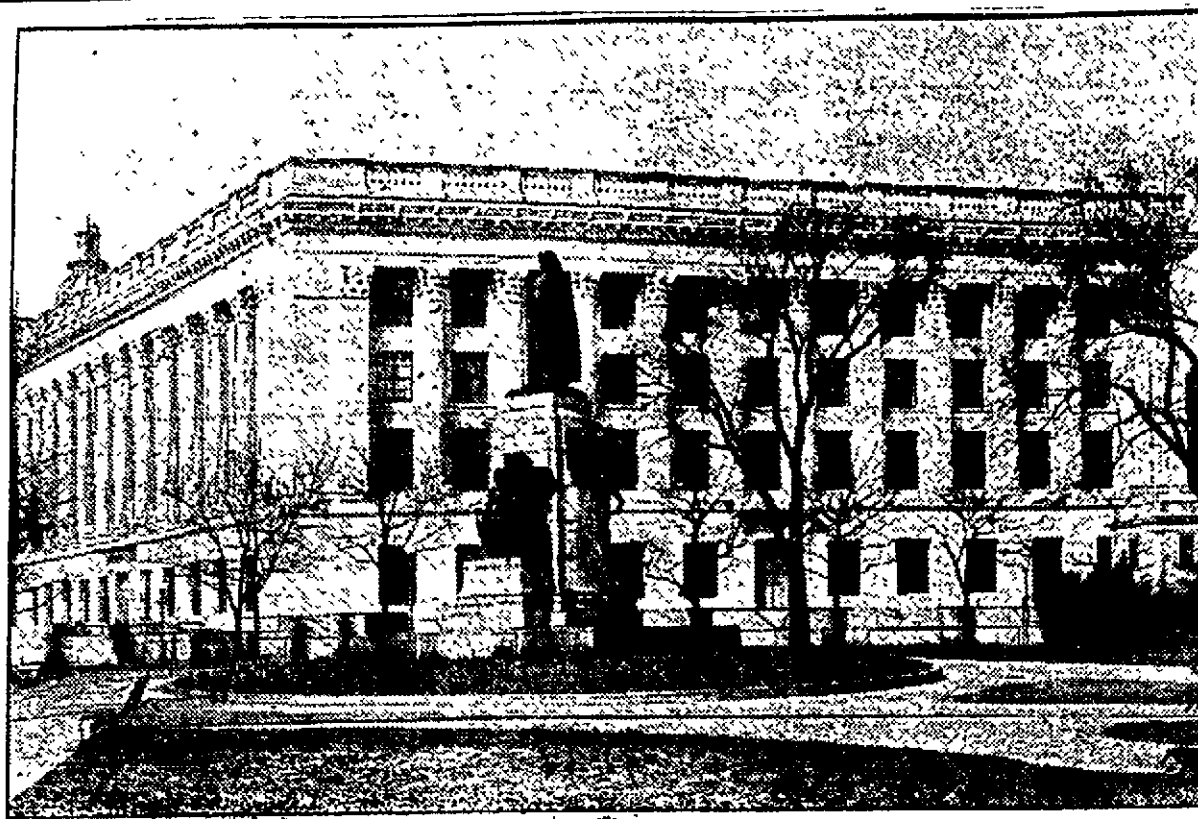

WEATHER FOR WISCONSIN
Fairly overcast tonight and Sunday.
Warmer tonight.

GENERAL WEATHER
A high pressure area appeared Saturday morning over the northern states and in the Pacific coast section. The pressure was low, however, along the northern border. The weather is mostly fair except over the extreme northeast, though some cloudiness is recorded in other sections. The temperatures are below the seasonal normal over the lower Missouri valley eastward, but are about normal farther west. The indications for this section are for the wind to remain gentle and moderate, becoming variable to southerly with slowly rising temperature and with generally fair weather over the week end, though some cloudiness is likely.

Main Dining Room
HOTEL APPLETON
Now Open

ONE HUNDRED DANCES
SUNDAY — GREENVILLE

APPLETON MEN ARE EXPECTED TO ATTEND DEDICATION OF NEW CHAMBER OF COMMERCE BUILDING IN MAY

Business men who go from here to Washington for the annual meeting May 20 to 22 of the Chamber of Commerce of the United States are to have the privilege of attending the dedication of the new home of the national chamber. The building is pictured herewith and was paid for with contributions from business men in all parts of the country, including Appleton. A. C. Remley, national councillor, probably will represent the local chamber there.

BOY KNOCKED OFF HIS BICYCLE AND BREAKS ARM

Victor Hoh, 11, son of Mr. and Mrs. Louis Hoh, Greenville, suffered a fracture of his left arm above the wrist in a collision with a Saenger-Diederich Furniture Co. truck at the Drew-st end of the alley behind the Masonic temple Thursday afternoon. The boy was riding south on Drew-st on a bicycle when the collision occurred, but his story and that of John Bowers who was driving the truck differ. Bowers states he had stopped his truck before leaving the alley, and that the boy, riding on the left side of the alley with several companions, failed to notice the truck and ran into it with sufficient force to fracture his arm. The boy, on the other hand, claims that the truck shot out of the alley at considerable speed and knocked him from his bicycle. Hoh is a student at St. Paul Lutheran school.

SEE POOR PROSPECTS FOR CROP OF ALFALFA

The alfalfa crop this year will be poor, according to observations of rural carriers here. Saturday morning several of the carriers reported that the new seeding and the second year shoots had been touched by frost Friday night. Although the frost was not heavy enough to kill the shoots, it was sufficient to retard growth, the carriers believe, and as the open winter was detrimental, they look for a poor crop.

Half Of G. A. R. Fund Paid In And Only 4 Days To Go

Appleton finally is shaking itself out of its lethargy and warming up its cooled patriotism, for the gifts are beginning to come in more satisfactorily for the \$2,000 fund which Oney Johnston post of the American legion is raising for the monument which will be dedicated on behalf of the Grand Army of the Republic on Memorial day at Riverside cemetery. Friday's gifts were the most liberal of any day since the campaign began. They amounted to a little over \$200 and the fund now is slightly over the \$1,000 mark. The goal is half way reached and there are thousands of her people and hundreds of firms whom the aged Civil war veterans feel sure have not forsaken them. One manufacturing concern sent its check Friday for \$100. A woman gave \$50 and a leading business man \$25. All these gifts in one day have heartened the G. A. R. and given the members faith in their city.

The campaign ends next Wednesday. Let us have at least 250 contributions a day for each day. We ought to have \$500 more by Monday night, \$200 on Tuesday and \$200 on Wednesday. You who have been holding off ought to make your contribution at once. All that stands in the way of completion of this campaign is YOU. Every city has done much for the G. A. R. hardly a cemetery in place as big as Appleton is without a monument costing thousands. All the veterans ask is a simple granite shaft costing \$2,000, just so the people won't forget these grand old heroes when the group of about 25 now remaining has passed on.

Be kind-hearted! Be liberal! Be patriotic! Be proud of the privilege you have in raising this shrine of annual memorial fervency to the men who saved the Union in the days of '61. Which is it? Loyalty to country and flag in peace as well as war, or selfishness? Give what you can today, depositing your money at the Post-Crescent office. Make checks payable to "G. A. R. Monument Fund." These gifts are acknowledged by the Post-Crescent:

J. T. Reeve Circle, Ladies of the G. A. R., Arthur J. Inzold, Mrs. E. McPherson, Mrs. Peterson, Charles C. Kooper, D. E. Reese, Mrs. Mary W. Johnson, Frank C. Hyde, William H. Hackleman, A. Friend, Guy B. Marston, Roy H. Marston, C. L. Marston, Jr., Joseph H. Marston, R. H. Hanson, Dr. and Mrs. W. H. Meeker.

Monument Gift Blank

To Oney Johnston Post, American Legion:

Attached herewith I am sending you \$... as my contribution to the fund for the G. A. R. Monument at Riverside Cemetery.

Name

(Attach this to your money or check and mail or deposit it at The Post-Crescent office. Make checks payable to "G. A. R. Monument Fund.")

The four main subjects to be taken up at the meeting are foreign affairs, including America's commercial treaty policy; agriculture, the merchant marine and the topic, Congress and the American Public. Other subjects which will come up for discussion at group meetings include the coal situation, the forestry problem, the federal reserve system, industrial relations, foreign commerce, insurance and transportation. The list of speakers includes government officials and nationally known business men. Secretary Hoover of the department of commerce and Secretary of Agriculture Jardine are on the program among those representing the government.

ORCHESTRA DIRECTOR REALIZED AMBITION

That "the world makes way for the man who knows where he is going" is well proven by the career of Henri Verbruggen, conductor of the Minneapolis Symphony Orchestra, which is to appear in Appleton on Wednesday May 13 at Lawrence Memorial Chapel.

A native of Brussels, Belgium, the only son of a well to do manufacturer, it was determined that young Henri should be a professional musician. He had ideas of his own. He was allowed to study the violin as a proper avocation. His talent however became immediately so apparent that the attention of Ysaye, the great Belgian violinist was attracted to the lad, with the result that he became a pupil of the virtuoso. His first public appearance in Brussels was so great a success that his master took him to London, where at the age of fourteen, he created a positive sensation when he made his debut. The path lay straight before him to a career as a concert violinist, and for five years he followed it. Tiring of what he termed the "futility of spending my life with a violin tucked under my chin," he determined that he would some time be a conductor. To that end he deliberately deserted the concert stage and took a minor position in a great orchestra in Wales. Step by step, he worked his way upward, finally to the conductor's desk. Playing in different orchestras in England and on the Continent to gain experience, he was offered the post of assistant conductor of the famous Symphony Orchestra of Glasgow, Scotland. Another step and his ambition to lead a great orchestra was accomplished.

ROSEBUSH AGAIN IS DRY LEAGUE OFFICER

J. G. Rosebush was reelected third vice president of the Wisconsin Antisaloon league at the annual meeting in the Y. M. C. A. at Milwaukee this week. Dr. H. C. Logan and David L. McBride, both of Milwaukee, were elected president and superintendent respectively. Other officers reelected were: First vice president Henry Coleman, Milwaukee; second vice president, F. J. Vea, Stoughton; secretary, S. A. Ails, and treasurer John Georlings, Milwaukee. Members named to the governors' board were the Rev. C. A. Carrell, Shorewood; Mr. Fulton, Mr. George, Dr. W. A. Gantfield, Waukesha; Dr. Logan, A. E. Matheson, Janesville; A. E. LeGrand, Milwaukee; J. J. Phoenix, Delavan, and the Rev. W. C. Hayes.

MEETING PREPARING FOR DIPLOMA TESTS

Preparations for diploma examinations at the county rural schools which start late next week are keeping A. G. Meating, county superintendent of schools, and his assistants extremely busy. They must prepare all of the questions and miscellaneous work. The first series of the work will start Saturday, May 2 at Appleton. The second series will be at Kaukauna schools will be visited in the order named.

REALTY TRANSFERS

Edwin J. Schroeder to William Schroeder and in town of Greenville, Cornelius Meyer to Mrs. Anna Fletcher, land in plat of Meyer's Place, town of Grand Chute. Albertina Kalpin to Mary Kampine, 35 acres of land in town of Seymour. A. R. Armstrong to T. W. Armstrong, one lot and part of another in Stoken's addition, Kaukauna. Elmer Koss to A. G. Osterhaus, part of two lots in Herman Erb, addition in Sixth ward, Appleton. R. W. Harriman to A. R. Brinkworth, land in Harriman's Lawberg plat, Appleton. Consideration, \$1450.

GOLF CLUB WILL ACT THURSDAY ON LOCKER HOUSE

Directors of Butte des Morts Club Decide to Submit Plans to Members

Butte des Morts Golf club's plans for a new locker house will be submitted to stockholders of Winnegama Land company, the corporation owning the course, at a meeting at the city hall at 7:30 Thursday evening. These arrangements were made at a meeting of the board of directors Saturday morning at the office of Daniel P. Steinberg, chairman of the greens committee.

Plans and specifications for the building which have been obtained by a special committee appointed for that purpose, will be submitted at that time. Another committee will submit its report on a finance plan by which a group of stockholders will underwrite the project and have their money repaid through the revenue from additional memberships. The locker house is to be built as a unit of later structures that may be erected on the Butte des Morts grounds, located on Winnegama-Ed.

Frank Walsh has been engaged as the club's professional for the season and already has established himself at the grounds and in instructing amateurs. Lessons are given daily. Play is permitted on temporary greens and tees until a little later in the season and many members already are availing themselves of the privilege.

LEGION'S ROLL OVER 500 NOW

Campaign Results Will Be Announced at Monthly Meeting Monday Evening

Reports on the membership campaign will be made to members of Oney Johnston post of the American legion at the monthly meeting at 8 o'clock Monday evening in Elk hall. R. A. Peterson, who succeeds Thomas Morrissey as commander, will take his oath of office and then will assume charge of activities. Mr. Morrissey has left for Green Bay to accept a position.

Teams working in each ward have met with considerable success in their efforts, according to reports made to Mr. Peterson, who has this activity in charge up to this time. The total membership has passed the 500-mark and workers still are reporting additions. The campaign probably will be continued for a few days more in the hope that many more veterans will join.

APPLETON MEN BUY CREAMERY IN NORTH

C. A. Gerlach, president of the Valley Dairy Products Co. and C. E. Behnke of Amhurst have purchased the Farmers Butter and Cheese association at Benson's Corners, about three miles north of Amhurst. The creamery started work Friday under the new ownership, and will be conducted under the name of Benson's Corner Creamery Co.

GREB BEATS CHILEAN IN 10-ROUND BATTLE

Detroit, Mich. — Harry Greb of Pittsburgh, Pa. middleweight champion of the world, showed Quintin Romero Rojas of Santiago, Chile, a bag full of boxing tricks, and won each of the ten rounds of their fight here Friday night. Greb weighed 163 1/2 pounds and the Chilean weighed 135.

SOLONS WILL ATTEND FUNERAL OF WILLIAMS

Washington, D. C. — Funeral services for representative Arthur B. Williams to be held in his home city, Battle Creek, Mich., Monday, will be attended by a congressional committee including all members of the Michigan delegation, and representative Britten of Illinois; Slinnett of Oregon, Raker of California, and Timberlake of Colorado.

NAME DEMPSEY

Not Taft, as one may suspect, James Dempsey is a Buffalo (N. Y.)

CHASING CARS HARD WORK FOR CITY ASSESSOR

Following his strenuous efforts of Friday to assess all automobiles in sales garages here, A. C. Rule, city tax assessor, was confined to his home Saturday, a sick man. It is reported that several garage men made ingenious attempts to evade the assessor. Whether this succeeded will not be known until Mr. Rule sends out his notices.

One west end resident upon rising at 6 o'clock Friday morning saw an automobile, perfectly new, parked before her home. It remained there all day without a claimant, and when the owner had failed to call for it late Friday afternoon, the resident called the police and notified them of the circumstances. An hour later when she looked again, the car had been removed.

Other residents of the same neighborhood also reported similar conditions, several of them having seen cars parked along the streets under almost identical circumstances as late as 7 o'clock in the evening.

NEW BRIDGE TO BE DEDICATED LATE IN MONTH

Chamber of Commerce and City Officials Unite in Making Dedicatory Plans

Inspection, a banquet and huge public parade will be held in connection with the dedication of Cherry-st bridge on May 21 to the soldiers and sailors of the Civil, Spanish-American and World wars, according to preliminary plans formulated at a meeting at the city hall Friday evening. An organization is to be drafted Monday to arrange for all the details.

Those who made the plans were May or John Goodland, Jr., special committee of the common council for the dedication consisting of Aldermen Charles Fose, C. D. Thompson, the highway committee of the chamber, George T. Richard, J. H. Fiedler, R. F. McGinnis and Mr. Steinhauser, and her of commerce made up of J. J. Plank, John R. Diderich and Hugh G. Corbett. Mr. Fose is chairman of the council committee and Mr. Plank of the chamber's committee.

Mr. Corbett was elected general chairman of the joint committees and George T. Richard, secretary. Others who will serve on the arrangements committee are the mayor, Alderman Thompson and Mr. Diderich. This committee will meet at 9:30 Monday morning at the city hall to prepare a list of subcommittees representing various organizations and civic groups.

Tentative plans for the dedication include an inspection of the bridge at 4 o'clock on the afternoon of Thursday, May 21, a banquet for all officials at 5:30 and a parade, speeches, band concert and fireworks at 7:30 in the evening.

An invitation will be sent to all Appleton officials, Outagamie- and Winnebago-co boards and the common council of Neenah and Menasha, to take part officially in the ceremonies and attend the banquet. The invitation also will go to officials of Kimberly, Little Chute and Kaukauna.

Patriotic organizations will have a big part in the ceremonies, since the bridge is dedicated to them. Officials of Oney Johnston post of the American legion, United Spanish War Veterans and the Grand Army of the Republic therefore will be invited to assist in the arrangements.

Invitations will be sent to all Appleton officials, Outagamie- and Winnebago-co boards and the common council of Neenah and Menasha, to take part officially in the ceremonies and attend the banquet. The invitation also will go to officials of Kimberly, Little Chute and Kaukauna.

GLENNA COLLETT BEATS BRITISH GOLF EXPERT

By Associated Press
Stoke Poges, Eng. — Miss Glenna Collett, former American woman golf champion, received a stroke every other hole, defeated Cyril Tooley, former British amateur champion, by one up in a match over the Stoke Poges course Saturday afternoon.

Prepare Legion Data
Data which Wisconsin department of the American legion will need in a campaign here in the near future for the national orphanage endowment fund were compiled by the executive committee of Oney Johnston post at a meeting in the French room of Conway hotel Thursday evening. Information concerning the endowment is to be mailed direct to a large number of Appleton persons.

Ice in River
Although spring is here, winter is loath to leave, for ice was discovered on the Fox River near Potato Point Saturday morning. George Sherry, who lives at the Point, said that early in the morning there was ice several feet in width near the bank. The temperature was down to 22 degrees above zero Friday night.

Fisherman Return
C. J. Garvey, Dennis Coffey and Robert Scholl returned from Evergreen Friday evening where they had gone to usher in the trout season. They brought back 13 large brook trout. The returning anglers report that every stream they saw on their trip was crowded with fishermen, and that more were arriving constantly.

California's timber resources are valued at \$750,000,000.

DEATHS

MRS. GEORGE VAN NORMAN
Mrs. George VanNorman, Deer Creek died suddenly at 8 o'clock Saturday morning. She is survived by her widow and two children. Funeral services will be announced later.

HE HURRIED HOME TO DINNER AND PAID \$13.20

Arneke To Be Soloist At Program

Arthur H. Arneke, professor of organ at Lawrence Conservatory of Music, will be the soloist at the concert Monday evening in Lawrence Memorial chapel, given by the boys chorus of the Lincoln, Columbus, Franklin, Fourth district and St. Mary schools, the high school orchestra, Appleton Women's club chorus and the supervisors chorus of the conservatory. The concert is in celebration of National music week, which is May 4 to 10. The public is invited to attend.

Professor Arneke will play two groups of organs. He spends two days each week in Appleton, giving his time to a large class of organ students.

Professor Arneke is organist at two of the leading churches in Milwaukee and accompanist for the Lyric Male chorus. He gives bi-weekly organ recitals on the Temple organ, which are always attended by large and enthusiastic audiences.

The supervisors chorus is composed of students at Lawrence conservatory who are training to enter the field of public school music supervision. There are 50 trained voices in the chorus and they sing under the direction of Dr. Earl L. Baker. The chorus has spent several months in the preparation of "The Lady of Shalott."

The boys chorus from the Appleton Public school has sung several times in public during the year, and has attracted the attention of many persons interested in the development of boy's singing.

WED ON SILVER ANNIVERSARY OF BRIDE'S PARENTS

The joint celebration of the marriage of Miss Gladys M. Kronhold and Max Bauer, and the silver wedding anniversary of Mr. and Mrs. Fred Kronhold, parents of the bride, was held Saturday morning when Miss Kronhold and Mr. Bauer were married at 8 o'clock in St. Joseph church. The attendants were Miss Marieje Kronhold, sister of the bride, Isabelle Milhaupt and John Weber. The Rev. Father Camillus performed the ceremony. Mr. Bauer is the son of Michael Bauer.

A wedding breakfast was served at the home of the bride's parents for immediate relatives and friends. The couple left for Milwaukee where it will spend a few days before leaving for Elmore, Minn.

They will be at home at 1400 W. Prospect-ave. in two weeks.

PARTIES

Members of the Junior shorthand classes of Appleton high school entertained members of the senior shorthand class at a party in the high school Friday night. Dancing and games provided the entertainment.

Miss Florence Keating entertained 25 guests Friday evening in honor of the birthday anniversary of her mother, Mrs. Helen Keating, 1135 W. Lawrence-st. Prizes at cards were won by Mrs. Helen Keating and A. O. Tillman.

Mrs. Arthur Kobs, 1626 N. Appleton-st., entertained 20 friends Tuesday evening at a miscellaneous shower in honor of her sister, Miss Margaret Bierman. Dice and Gauding furnished entertainment. Prizes at dice were won by Veron Radtke and Hilda Jens.

About 75 couples attended the Pythian May ball given by Knights of Pythias Friday evening in the armory. The hall was beautifully decorated in spring colors. Several feature dances were on the program. The Melorimba orchestra furnished music.

Mrs. John L. Jacquot, 727 E. College-ave., entertained the Friday club at a 1 o'clock luncheon Friday noon. Prizes at bridge were won by Mrs. Joseph Kottend, Jr., and Mrs. Arthur Scheil.

The Rev. and Mrs. F. L. Schreck, members of the church building committee and their wives at a dinner at 6 o'clock Friday evening. Radio music furnished entertainment for the evening. Among the guests were Mr. and Mrs. William Rocks, Mr. and Mrs. August E. Rademacher, Mr. and Mrs. Reinhold Krabbe, Mr. and Mrs. August Tesch, Mr. and Mrs. Otto A. Tilly.

Social Calendar For Monday

2:30 St. Elizabeth club, Catholic home.
7:30 Junior Olive branch, Mt. Olive church.
7:30 C. C. club, with Mrs. Otto Kuehnstedt, 108 S. Law-st.
8:00 Women of Mooseheart legion, open card party, Moose temple.

SECURED RELIEF THROUGH FOLEY PILLS

John R. Gordon, Danville, Ill., writes: "I have suffered with kidney trouble five years; could not sleep at night and was always tired. I was weak and had no energy. I took some FOLEY PILLS and after a few treatments I felt better and could work with more ease. I became stronger and could sleep better." FOLEY PILLS are a diuretic stimulant for the kidneys—make them more active. Get a bottle today. Sold everywhere.

Free Married Folks Dance at Stephenville Auditorium, Wed., May 6, 1925.

DIPLOMAT

Copyright by Harris & Ewing.

After two years in the State Department at Washington, Miss Lucille Atcherson, 30, of Columbus, O., has qualified as a member of the diplomatic corps. She will leave soon for Bern, Switzerland, to become third secretary of the American legation.

The Tangle

LETTER FROM LESLIE PRES-COTT TO THE LITTLE MARQUISE, CARE THE SECRET DRAWER, CONTINUED

You see, little Marquise, that Jack has not only laid my love in the dust but he has battered my pride into a poor bruised thing. By his conduct he has told all my friends that he does not consider me or my feelings worth worrying about. I am ashamed to meet my mother or Karl. I am ashamed to look them in the face. It humiliates me to such a degree that I know that they are thinking that Jack, my husband, does not care enough for me to sorrow with me. That I stay away from them as much as possible. I cannot bear it. At this moment I never want to look upon John's face again. When I saw him at the funeral my heart was so filled with hate for him that I hardly had room for grief over my sister Alice.

I think I am being vicariously punished for what John did to Paula. I think at this moment I am feeling almost in the same degree the humiliation that she has felt. He broke her heart. He is breaking mine, and the worst part of it all is, he does not seem to be conscious of what he is doing. John has made me out a poor thing. Something to throw aside just as he did that other poor woman, something not worthy of his care, not deserving of his comforting. One desire now is to get away. I want to go somewhere where I will not see anyone who can possibly know in what light esteem my husband holds me.

I presume that all my friends now are looking upon me with curiosity. They think that possibly, I, too, am going mad. When Jack got here by airplane, probably because Sydney Carlton insisted he should come in time for the funeral, I would not see him.

I sent word to Sydney that I would not ride in the same motor with him, and so he escorted my mother and Karl took me to the grave.

I expect, to those about who did not know what Jack had done to me, this arrangement looked queer, but I could no more have put my hand on John Prescott's arm—I could not have listened to his hypocritical words of comfort than I would have deliberately broken my mother's heart by staying away from the funeral ceremonies which I would have liked to have done.

I felt sorry, little Marquise, for Sydney Carlton. He was in a most embarrassing position. When he came here at John's request, he put himself in the light of condoning my husband's unfeeling act. I will say this for him, however, he has been very decent about the whole matter. He did not intrude himself upon me at all. Beyond sending me word that he was in town, that he would be glad to help in any way he could during the tragic time, he did not intrude upon himself in communication with me.

I did not answer his message. I could not. I expect, indeed I know, he was actuated by the best of motives in regard to me as well as Jack but I wish he had not come. I could have gotten along better alone. One can sometimes bear the presence of others when one is grieving but one must bear humiliation and disgrace alone.

(Copyright, 1924, NEA Service, Inc.)

TOMORROW: This letter continued.

LODGE NEWS

About 20 members of the Commandery of Knights Templar attended the meeting Friday evening in Masonic temple. Routine business was discussed.

Auxiliary of Spanish War Veterans held a regular business meeting Friday evening in the armory. Ten members were present.

Konomic lodge will elect delegates at the next regular meeting Monday night to the annual convention of the grand lodge. This convocation is to be held at Kenosha on the first Tuesday in June.

OFFICERS ARE INSTALLED BY RELIEF CORPS

Mrs. Iona Jackson was installed as conductor of Women Relief corps, auxiliary to the Grand Army of the Republic at the meeting Friday afternoon in Odd Fellow hall. Mrs. Lillian B. Brier was installed assistant conductor and Mrs. Margaret Zschuehner, first color bearer. Mrs. Anne Nervei was the installing officer.

Balloting on candidates also took place at this meeting at which 50 members were present. The business meeting was followed by a social hour with Mrs. Mary Donnelly in charge.

MRS. HORTON GIVES READING FOR TEMPLARS

Mrs. Lacey Horton read The Passing of Thomas at the meeting of Appleton Commandery, Ladies of Knights Templar Friday evening in Masonic temple. Mrs. A. H. Miller presented a stunt act.

A short business meeting preceded the program and plans were made to give a party for members of the organization and Knights Templar. Mrs. H. K. Pratt is in charge of the committee on arrangements.

CLUB MEETINGS

Miss Florence Whipple, city nurse, will be in charge of the program for the nurses meeting to be held at 8 o'clock Saturday evening in Appleton Women's club. All trained nurses of Appleton and vicinity are invited to attend.

R. T. B. club met at the home of Miss Marie Wirtz, Second-st., Menasha Friday evening. The evening was spent playing cards. Prizes at five hundred were won by the Misses Lorena Bucholtz and Esther Radtke. The next meeting will be held at the home of Mrs. George C. Dame, 1815 S. Onondaga-st.

Miss Myrtle Hoerning, 491 N. Superior-st., entertained the Marching club Friday evening. Sewing and music were the chief diversions of the evening. The club will meet next week with Miss Loretta Braemer, N. Bates-st.

Mrs. Otto Kuehnstedt, 103 S. Lawrence-st., will be hostess to the City club at 7:30 Monday evening. Mrs. G. D. Thomas is in charge of the program and will read, "Faroe Islands, Iceland."

The meeting of the Travel class will be held on May 11 instead of May 4 as was scheduled. It will meet at that time with Mrs. John Stevens, 1007 E. College-ave.

P. E. O. Sisterhood met Friday afternoon with Miss Ada Meyers, 132 E. Lawrence-st. Mrs. H. C. Tunkson read a paper on Literature, Art and Music in South America.

Mrs. T. A. Willy, E. College-ave., entertained over the Teacup Friday afternoon. Mrs. M. Kilen was in charge of the program and read several selections.

CARD PARTIES

Women of Mooseheart legion will give an open card party at 8 o'clock Monday evening in Moose temple. Prizes at cards, bridge, and dice will be played. Mrs. B. W. Bates is chairman of the committee in charge and will be assisted by Mrs. B. J. Beschta, Mrs. Richard Wenzel, Mrs. Clyde Cavert, Mrs. M. Aarons and Mrs. Harvey Luebben.

Mrs. Richard Wenzel and Mrs. Earl W. Bates won prizes at bridge at the open card party given by Lady Macabees Friday evening in Castle hall. Other prize-winners were Mrs. M. Schreiner and Mrs. William Moore at schafkopf; Mrs. Leo Chaput and Mrs. R. Wegner at dice.

Mrs. Herbert Shauger of Ogdensburg, visited friends here Thursday. Mrs. Peter Trass, who has been receiving treatment for the last four months at North Shore Health resort, Winnetka, Ill., is doing nicely.

Learn to Swim.

The season for fishing, boating and swimming is approaching. Swimming is always a health-giving sport and often a life-saving accomplishment.

Learn to swim, or increase your ability if you already know how. You can never tell when this knowledge will be essential. The Washington Bureau of this paper offers for free distribution a new booklet on swimming and life saving. It was prepared by the American National Red Cross and contains instructions for beginners and advanced students, together with a number of swimming and life saving tests.

Send for your copy of the helpful booklet today. Enclose two cents in stamps to cover return postage.

Frederic J. Haskin, Director The Appleton Post-Crescent Information Bureau, Washington, D. C.

I enclose herewith two cents in stamps for return postage on a free copy of the SWIMMING BOOKLET.

LOST NERVE

For months Miss Catherine Murdock, treasurer of the Garden Theater in Kansas City, practiced shooting that she might be ready if highwaymen attacked her. But when two men seized her as she entered a bank with the day's receipts she surrendered \$1200 without a word. "I just couldn't kill a man to save \$1200," Miss Murdock said.

Adventures Of The Twins

BUSTER BEAR'S INVITATION

The folks in the Land-Of-Deer-Knows-Where didn't know whether or not to ask Buster Bear to Mrs. Bunn's party.

"We'd better take a vote on it," said Old Daddy Cracknuts wisely. "Because if Buster took a notion he could do a lot of damage and smash up the whole party."

"That's right," agreed Mister Prickles Porcupine. "We'll take a vote on it and see if Buster has enough friends to get him in."

So they called a meeting and passed around papers and everybody wrote on it "yes" or "no" according to the way he felt about the bear boy coming.

There were more "yesses" than "noes" so it was decided that Buster was to come.

But Wally Woodchuck got up and said that he had one thing to say and that was that if Buster was to come it must be understood that none of his family was to come except Buster himself. Another thing—Buster would have to wear a pair of squeaky shoes.

"A pair of squeaky shoes!" cried everybody. "But why?"

"Because," said Wally Woodchuck firmly, "when we can all hear him coming, and after he comes we can hear every step he takes. I move that Buster Bear be allowed to come to Mrs. Bunn's birthday party if he brings a nice present and wears squeaky shoes."

"Nobody knew exactly what he meant by saying he 'moved' all that about Buster, but when he said he had read it in the book of rules, they decided that it was important, and so Wally had his way."

Daddy was asked to the surprise party and told what he had to do if he wanted to come.

"My, my," said Mrs. Bear, when she read the invitation. "I'll have to telephone to Mister Peg Leg, the peddler, to come and help us out. It isn't often that my son has a chance to get into such high society. I'll buy him a new red necktie and a pair of squeaky shoes, and a nice present besides."

So she telephoned to Mister Bags who spoke to Doctor Snuffles who mentioned it to the postmaster, Mister Stumps, that if the little peddler man and the Twins came in for their mail, to please send him over at once.

When they got the message it didn't take them five minutes to go to the place where the bear family lived on the side of a hill.

"My, I do hope that Mrs. Bear will give me a big order," said Mister Peg Leg. "I'll not have to peddle much longer. I have almost enough money now to buy my peg leg. This 'ono gets shorter and shorter every day."

They rang Mrs. Bear's door-bell and soon the little peddler man was showing her all his wares.

Mrs. Bear picked out a red and purple tie and a pair of white kid gloves for Buster to wear. "Have you any shoes with very loud squeaks in them?" she asked next.

Mister Peg Leg scratched his head. He had shoes but none with squeaks in them. He didn't know what to do. Just then he heard something over in the woods that made him smile, and he winked at the Twins. "Sure," he said. "I have the very thing."

(To Be Continued.)

CAREFUL PACKING TO SEND LIQUIDS IN MAIL

Admissible liquids and substances that liquify or melt easily may be sent to foreign countries through the mails, according to a recent ruling of the United States Post Office department, if they comply with the following rules:

Two receptacles must be used, the outer one to consist of a strong container of wood, paper-mache or metal. Between this and the inner packaging there must be sufficient bran, sawdust or other material to absorb all the liquid if the bottle should break enroute. Liquids may be sent in strong bottles in quantities not exceeding 16 ounces, if these rules are conformed with.

Where quantities greater than 16 ounces are sent, the container must be marked "Liquids"—To be carried outside of mailbags enroute to the destination office. Such bottles or containers will be carried outside the mailbags on the way to the office from which they are to be sent.

Mrs. William Lueckel left Thursday night for Delano, Minn., to visit relatives.

William Trawney of Milwaukee was in Appleton on business Wednesday.

APPEALS TO BOARD FROM RULING OF INSPECTOR

The zoning and appeal board will meet Monday in the city hall to consider the appeal of C. E. McKenny from a ruling of the city building inspector refusing him a permit to erect a garage at 418 N. Durkee-st. Mr. McKenny requested a permit to build the garage on the lot line on his property, but as this does not comply with the requirements of the zoning ordinance, the permit was refused. The ordinance requires that a garage must be built either 15 feet away from the house or 8 feet from the lot line.

The meeting of the board will be open to the public.

SEYMOUR GETS BIDS FOR PAVING MAIN-ST

Bids for paving Main-st. at Seymour will be opened at 10 o'clock next Thursday morning in the office of the city clerk at Seymour, it has been announced.

Members of the county highway committee, A. G. Brusewitz, county highway commissioner, and O. C. Rollman, Green Bay, division highway engineer, will attend the meeting at which the bids will be opened.

GRAND RAPIDS, MICH.

When You Make Your Will

THREE essential factors must be considered when a will is being drawn:

1. The intent of the maker. His wishes must be stated in language that is clear and explicit.
2. The laws governing the preparation and execution of wills. These should be scrupulously observed.
3. The legality of the provisions of your will. The maker of a will may wish to incorporate certain provisions which the law would not sustain.

The drawing of a will should be entrusted to a lawyer. By having your will properly drawn you may assure yourself that it is a valid instrument. So called "home-made" wills are often invalid and result in protracted litigation.

Long legal disputes and delays may be avoided by retaining your lawyer now to draw or redraw your will in proper form.

NAMED HEAD OF H. S. HONOR ROLL

P-T SOCIETY

Unanimous Ballot Is Cast for All Officers of School Association

Kaukauna—E. J. Nicholson was elected president of the Kaukauna Parent-Teachers' association at its meeting Friday evening in the high school auditorium. Mr. Nicholson was recommended for the office by a committee on nomination and the secretary was instructed to cast a unanimous ballot. Other officers recommended and elected in the same manner were Mrs. Earl Ferguson, vice president; Hugo Wolfenbarger, treasurer; and Mrs. Otto Aufreiter, secretary. C. D. Townsend, president of the organization, declared the Kaukauna club is affiliated with the state association and that per capita dues must be paid soon. He stated that last year all local members were charged 25 cents a meeting and that the plan was unsuccessful. This year there has been no charge and consequently there is no idea as to the size of the local membership. The president and secretary were authorized to take care of the matter according to their judgment and pay into the state whatever amount might be deemed necessary. It was considered necessary to send a delegate to the state convention in May and Miss Flora Heise was chosen to attend the meeting which will be held in Stevens Point. The committee in charge of next month's program will be Miss Myrtle Beck, W. R. Sullivan, Miss Florence Bounds, Mrs. John Regenfuss and Mrs. M. W. Richardson.

Kaukauna Churches

Kaukauna—Services in Kaukauna churches on Sunday, May 3, are:

First Congregational, Rev. Daniel Woodward, pastor. Sunday school, 9:45; Sunday worship, 10:45; Young people, 5 to 7 o'clock. Choir rehearsal at 7 o'clock Thursday evening at the church. Monthly business meeting at 7:30 Friday evening in the audience room.

The pastor's sermon Sunday morning will be "Providence Directing the Life of the Individual and Organization." There will be a good musical program. The public is invited. It is the opinion of the leaders of all churches that every Christian should attend his own church Sunday morning. Members are requested to bring their friends.

Methodist, Rev. W. P. Hulén, pastor. Sunday school, 9:30; Lesson, "Benefits of Temperance Abstinence." Morning worship, 10:30. "What Does 'A Man's Life Mean?'" Epworth League, 6:45, topic: "True Freedom." Evening worship, 7:30, theme: "The Providence of Time."

St. Mary, Rev. Conrad Ripp, pastor. Masses at 5:25, 6:30, 8 o'clock and 10:15.

Reformed church, Rev. E. L. Worthman, pastor. Sunday school, 9:30; English worship, 9:30; German worship, 10:30. Theme: "New Manifestation on an Old Scene." Mission study class, 6:45. Book entitled "The Spirit of Service."

Trinity Lutheran, Rev. Paul Oehlert, pastor. Sunday school, 9:30; English worship, 9:30; German worship, 10:30.

Holy Cross, Rev. Mgr. P. J. Lochman, pastor. Masses at 5:30, 6:45; 8 o'clock and 9:30.

REDUCE NUMBER OF MEN TO BE TAKEN FROM SHOPS

Kaukauna—Letters from the Chicago offices of the Chicago Northwestern Railway have contradicted orders received Wednesday by wire which stated that approximately 124 shopmen would be laid off indefinitely. The latest order is that between sixty and seventy men from the motive power department will be laid off. The original order that six men will be relieved in the car department still stands.

About 50 workmen will be retained in the locomotive power department which in normal times carries more than 200 men. The reduction will take effect next Tuesday morning. More detailed information regarding the removal of the master mechanic's office has not yet been received.

200 PARENTS SEE THEIR CHILDREN GIVE PROGRAM

Kaukauna—About 200 parents attended the presentation of the fanciful spring pageant "On a May Day Morning Early" given by the pupils of Park, Nicolet and Junior high schools in the auditorium Friday evening. The program opened with a May pole dance by Miss Adeline Fiebert and Miss Grace Murphy's grades. After the dance the songs to be sung in the state high school music contest May 14 and 15 at Madison were rendered by Miss Lucille Zink and Alex Jacobson. Kaukauna's representatives.

After a meeting of the Kaukauna Parent-Teachers' association the play proper was given. The rainbow chorus included Junior high school girls. Lester Hale was the gardener, Rose Farwell the elf, Howard Raddler the man in the moon and Noble Hill the member was fairly queen. The highlight of the program was the rustic dance in the pupils from Misses Martha Van Abel and Martha Euelow's rooms in Park school.

WEDDINGS AMONG COUNTY'S PEOPLE

SCHULZ-DABAREINER
Hortonville—The marriage of Miss Marie Schulz, daughter of Mr. and Mrs. Charles Schulz, and Norman H. Dabareiner, son of Mr. and Mrs. Lawrence Dabareiner occurred at 12 o'clock noon Saturday at the home of the bride's parents. The Rev. G. E. Boettcher performed the ceremony. The attendants were Miss Schulz, Dabareiner and Lloyd Schulz.

Following the ceremony a dinner was served to immediate relatives. The young couple left for a short trip, and upon their return will reside at Hortonville.

County Deaths

WALTER JOOSTEN
Little Chute—Walter Joosten, 12, died at 10 o'clock Thursday evening at the home of his mother, Mrs. M. W. Joosten, town of Van Der Brink. He had been ill for about ten days. Funeral services will be held at St. John church at 2 o'clock Monday morning and burial will be made in the Catholic cemetery.

Try Post-Crescent Want Ads.

W. R. C. VOTES TO SEND CHECK TO G. A. R. FUND

Kaukauna—A check for \$5 for the G. A. R. monument fund being raised in Appleton was voted at the monthly meeting of the Kaukauna Women's Relief corps Friday afternoon at the legion building. A motion to make the amount larger was prevented because of the condition of the treasury. A short business meeting was held at which preliminary plans were discussed for the annual Memorial day ceremonies. The corps will act in conjunction with the legion post again this year in observing the day. A social meeting followed the business session. Hostesses for the day were Mesdames Alex Conkey and W. F. Lohmann, Frank Bielek, John Cleland and Gust Boettcher. Strangers were present.

NEW LONDON PERSONALS

New London—Mrs. Emil Wendtland has returned from Racine where she attended the funeral of her uncle. While away Mrs. Wendtland also visited with old friends and relatives at Union Grove and Franksville.

Harry Spear has returned from a several months stay at Tomahawk and will resume his old position with the Roemer Lumber Co.

Mrs. William McNichols and Mrs. Andrew Hetzel spent Friday at Appleton.

Two children of Mr. and Mrs. Paul Beas are ill with pneumonia. Miss Florence Brensko, assistant chief at the local telephone exchange is enjoying a month's vacation. Miss Lucy Lewis is substituting for Miss Brensko.

METHODIST PASTOR TO TALK IN CLINTONVILLE

Special to Post-Crescent
New London—The Rev. and Mrs. V. W. Bell and members of the local Epworth league will journey to Clintonville Sunday evening, where they will participate in an "Institute Booster" service, for Camp Byron, of the Epworth League institute.

On account of the illness of the Rev. Alfred Hood, pastor of First Methodist church of Clintonville, the Rev. V. W. Bell will conduct the service and deliver the address.

NEW LONDON CHURCHES

New London—Sunday services in New London churches are as follows:

HOLY TRINITY LUTHERAN
The Rev. J. Richard Olson, pastor. 9:30 Bible class. 10:45 Communion service. Adult confirmation. Music by senior chorus choir; Preaching.

EMANUEL LUTHERAN
Rev. A. Spierling, pastor. 9:30 Sunday school. 9:45 Bible class. 9:50 German services. 11:00 o'clock—English services.

MOST PRECIOUS BLOOD CHURCH
Rev. F. Otto Kolbe, pastor. 7:30 Low mass. 10 High mass. Sermon "Significance of the Cross."

FIRST METHODIST
Rev. V. W. Bell, pastor. 9:45 Sunday school. 11 Preaching service; sermon, "Hear, Eat and Speak."

FIRST CONGREGATIONAL
Rev. H. F. Freeling, pastor. 10 Sunday school. 11 Preaching service; sermon—"Unconscious Influence of the Soul."

ST. JOHN'S EPISCOPAL
Rev. F. S. Dayton, pastor. 7:30 Holy communion. 9:30 Sunday school. 10:30 Services with preaching.

TEAM GOES TO MARION
New London—The city baseball team, under the management of Charles Stewart, will play at Marion Sunday afternoon in the opening of its season. The game will serve chiefly as a practice game for both teams.

MRS. WILHELMY SAVED BY FRIEND

Doctor Advised Operation Friend Said Try Lydia E. Pinkham's Vegetable Compound First

St. Paul, Minn.—"I was all run-down from overwork and worry, had no appetite, could not sleep at night, and looked like a corpse. I have six children (five boys and one girl) and did not get any strength after my last baby was born. I was getting worse and thinner every day. The doctor said I had to go to the hospital, but this I could not do on account of my family. So I went to a friend of mine and told her what the doctor had told me and she said, 'Now do as I tell you. Try Lydia E. Pinkham's Vegetable Compound as I have done. It helped me.' So I started taking the Vegetable Compound and I needed after the first few bottles that I felt considerably better. After taking 9 or 10 bottles I got over my fainting spells. Everybody who sees me now notices the great improvement in my health. I am gaining in weight and strength and am feeling fine. Eat well and sleep good nights."—Mrs. Mary Wilhelmy, 208 Duke Street, St. Paul, Minnesota.

BOARD ADOPTS NEW SCHEDULE FOR LIBRARY

New London—The Library Board, at its meeting on Thursday evening decided to change the library "open hours" back to the old schedule. The library has been kept open on Saturdays, from 2 o'clock in the morning to 9 in the evening, for the past few weeks. But will now be open only from 2 o'clock until 5:30 in the afternoon, and from 7 o'clock until 9:00 at night. The change will take effect at once. A gift in the form of a large mounted Elk's head has been made to the library by Charles Zeigle, who is leaving presently for Minneapolis.

FOR INACTIVE KIDNEYS
When the kidneys are in need of a good flushing take FOLEY PILLS, a diuretic stimulant for the kidneys, increase their activity and bring pleasant relief. Landon Taylor, Dorchester, Iowa, writes: "I can truthfully say that FOLEY PILLS are the best I ever used. I had lots of trouble with my kidneys and liver. I couldn't lift anything my back was so weak. Every morning I was dizzy, could hardly walk, but now I feel fine." Sold Everywhere.

Dance at Henry Probst Hall, Greenville Station, Monday, May 4. Good music. 5 piece orchestra of New London.

C. OF C. WILL
PUT EFFORT ON
GARBAGE PLAN

Manager Rule, Community
Buildings and Bus Terminal
on Year's Program

Garbage disposal will be the activity on which the chamber of commerce will concentrate its largest effort, according to the program of work mapped out by the board of directors at a meeting Thursday evening. Each standing committee will be allotted several tasks and asked to make one of them its major project.

The chamber already has been trying to assist the common council in devising some solution of the garbage disposal problem here. Data have been collected from many cities as a help in determining what system is adaptable here, and which one will give the highest efficiency with the least cost. The community welfare committee has been working on the problem and will continue to do so. This task was the second most strongly agitated when questionnaires were submitted to the members of a year ago.

Other community changes which the chamber hopes to see realized and will lend its assistance in accomplishing are adoption of managerial form of government, dental clinic, community building, union depot, public restroom, association of credit men, central bus terminal, service for tourists, completion of the better cities contest, further remedies for traffic problems and more just tax legislation.

Indorsement was given by the board of directors to the development program which has been announced by the city park board. The chamber

will offer its cooperation to the board in helping to improve the parks and encourage their use.

A number of major projects have been accomplished in the city within the last year or two and were crossed off the chamber's list as they require no more support. Among these are Junior high schools, bridges, street signs, renumbering of homes, arterial highways and another golf course.

STAGE
And
SCREEN

GREATER THAN PLAY
As a stage play, presented several years ago, "The Warrens of Virginia," was interesting and proved successful, but when compared to the new William Fox screen version, which will be shown at the New Bijou theatre Monday, Tuesday and Wednesday the motion picture comes out with flying colors.

With all the increased facilities of the picture, with the great opportunities to portray the real spirit of the old South, the story takes on an appeal that never was felt in the legitimate stage attraction.

"The Warrens of Virginia" abounds

Kentucky Aces play at Laey-
endecker's Hall, Kimberly,

Paramount Picture
"Madame Sans Gene"

AT FISHERS APPLETON MON-
DAY, TUESDAY AND WEDNESDAY

with beautiful photography. Scenes made in and about the old Southern homestead are truly delightful. A great battle between soldiers of the Blue and the Gray is reproduced most vividly. Touches of humor add much to the entertainment value of the entire picture.

Prominent in the cast are Wilfred Lytell, as the Northern lieutenant; George Backus, Dorothy Kingston, Rosemary Hill, Harlan Knight, Helen Ray, Kyle, J. Barney Sherry, George Strickling, and Lieut. Wilbur J. Fox.

ROME SET FIRE AS "QUO VADIS"
THRILL

An entire city aflame—that is but one of the thrills in First National's new film spectacle, "Quo Vadis." Perhaps no conflagration of its size and realism was ever before screened

as that of the burning of Rome in this picture. While Nero, Roman tyrant, strums his lyre, "long shots" of the cameras show below him a vast city cloaked in smoke and fire.

Twenty thousand men, women and children are said to have participated in this sequence of "Quo Vadis." The picture will be shown at the Elite Theatre next Monday, Tuesday and Wednesday.

LA PLANTE STARS WITH
O'BRIEN

"Dangerous Innocence," Universal-Jewel productions showing at the Elite theatre today and Sunday, brings together pretty little Laura La Plante and Eugene O'Brien as co-stars. "In Dangerous Innocence" these two favorites of filmland have been provided with a vehicle that cannot but more strongly entrench them in the public's favor.

In addition to Miss La Plante and Mr. O'Brien, the production has been given a strong supporting cast. Among the women may be mentioned Hedda Hopper, Milla Davenport and Martha Mattox, while the secondary male roles are capably handled by Jean Hersholt, Alfred Allen and William Humphrey. These well known people of the film world have been grouped about the stars so that all have been fitted into roles allowing for the best display of their talents.

"Dangerous Innocence" is adapted from Pamela Wynne's popular story, "Ann's An Idiot," under William A. Selzer's direction.

Better Homes

"One rubber plant can never make a home.
One day did not suffice for building Rome.
One gas log and a cat
Can't civilize a flat.
No! Something more is needed for a home."

Yes something more is needed for a home. When you do leave the gas-log, cat and flat behind and start building a home of your own great care should be taken to make sure that you are getting a home and not just a house. Every detail must harmonize to express your individuality in your home ... the furniture, building materials, the wall paper, even the radio in the corner must be selected with great care. When you build consult these advertisers. They are in a position to advise you in the selection of the best. And they can give you the best.

*Handy Utensils
for
Better Homes*

In Planning Your Home Also Plan Your Kitchen

The best kitchen utensils make living in your home so much easier. You will find a most complete stock of the more desirable kitchen utensils right here at Schlafer's — in granite ware, tin ware, aluminum ware, and Pyrex ware. You don't have to go far for the best when you are near Schlafer's.

Schlafer Hardware Co.

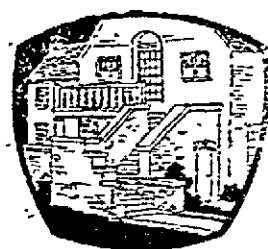

*Ideas Electrical
for
Better Homes*

A Better Home With Westinghouse Electrical Appliances

The little things count as well as the big things in the making of the home. And while Westinghouse Electrical Appliances are not very large they eliminate a large portion of worry and unnecessary labor when they are in your home. Through Westinghouse your home is not a home through itself alone, but also because Westinghouse gives you added comfort and a great deal more time to spend on other things besides housework.

Better Homes*

HOME!

The most cherished ideal of the American family—a beautiful and comfortable house, pleasant surroundings, a safe retreat from the cares and noise of the busy, restless world.

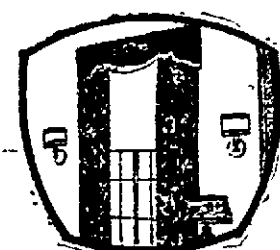

The building of a home, then, is surely not a matter to rush into heedlessly. Be sure you get the facts before you build and don't have regrets later.

The more you want your home to be beautiful, fire-safe, durable, comfortable and economical, the more Face Brick will interest you. Come in and talk over your building needs with us.

We also have Cement, Lime, Tiling, Sand, Stone, etc.

PROSECUTION MAY FOLLOW LEMBKE SUIT DISMISSAL

HINT ARREST OF ATTORNEY FOR PLAINTIFF

Werner Declares Suit Failed to Reveal Hint of Conspiracy on Bank's Part

Rumors were afloat after the dismissal of the case of William LEMBKE vs. The First National Bank and R. S. Powell Friday afternoon, that criminal proceedings were to be taken against the parties claimed to be responsible for the case upon the various charges of the bank of attempted blackmail and other violations of the law of which evidence was introduced at the trial.

The decision of Judge Werner ended two weeks of trial of the suit in which the plaintiff tried to recover \$21,500 which he had invested in the now defunct N. Simon Cheese Company.

The First National Bank and Mr. Powell produced evidence that the attorney for Mr. LEMBKE, Charles E. Carpenter of Chicago, had upon several occasions made the proposition to the bank to pay it money upon behalf of Nick Simon, Jr., if it would intercede with the authorities so as to get him off with a fine instead of prison punishment for his many forgeries and false representations. It was also proven that Mr. Carpenter represented himself as attorney for Simon, and admitted at the time that he was receiving money from Simon. After the taking of the deposition of Nick Simon the evidence showed that Mr. Carpenter came to Appleton and offered the bank to destroy the deposition if it would save Simon from a prison sentence, and also offered to pay it some money in addition. The bank refused the offer. Mr. Powell testified that he told Mr. Carpenter that while he did not like litigation, he would not take one step in any attempt to save Nick Simon from his wrongful acts. He testified further that Carpenter said: "Your friends won't believe this story. I don't believe it. It is a pack of lies, but it will spatter mud on you unless you take our proposition." The evidence showed, too, that Carpenter tried to have further conferences with the bank officials but they refused to meet with him. Finally Carpenter called Mr. Powell by long distance from Chicago in a last effort to get him to intercede for Simon and that Mr. Powell turned up the receiver with the statement: "I do not care to have you annoy me anymore."

CARPENTER ON STAND
Carpenter was on the stand a great part of Friday. He appeared to be very uncomfortable under cross-examination. He admitted that Mr. Powell had never sought any interview with him and that he, Carpenter, had received money from Simon and that he tried to get Powell to intercede for Simon and that Powell refused. He objected to a great many questions put to him and tried to prevent being required to answer upon the grounds of his privilege as an attorney, but Judge Werner ruled that since he was not a resident of Wisconsin he was not entitled to that privilege and that he must answer the detailed questions put to him by the attorneys for the bank. Against his repeated objections it was brought out that Carpenter had made contracts with 29 stockholders of the Simon Cheese Company which gave him 50 per cent of any amount he might recover for them, and that in the LEMBKE case he was to get but 25 per cent. It also appeared that Carpenter had used LEMBKE for the purpose of getting these contracts, and it was the claim of the bank that he let LEMBKE off with a smaller per cent because of the work LEMBKE was doing in getting the others into contracts with Carpenter.

NO CONSPIRACY
In his order dismissing the case Judge Werner declared that there was "no evidence in the case to warrant even the suspicion that the bank or Mr. Powell was involved in any conspiracy in selling Simon stock. The crimes committed were the sole acts of Simon and that the LEMBKE case he was to get but 25 per cent. It also appeared that Carpenter had used LEMBKE for the purpose of getting these contracts, and it was the claim of the bank that he let LEMBKE off with a smaller per cent because of the work LEMBKE was doing in getting the others into contracts with Carpenter."

The bank's attorneys claim that Carpenter was a deliberate fixer, that he took the 25 contracts in order to interest stockholders and make witnesses of them, which accounted for some of the peculiar testimony that was brought up in the trial. One noticeable incident was in the testimony of Otto Brass who claimed that he had a man call up Mr. Powell and that the latter recommended the Simon stock highly and that upon that basis he, Brass, had purchased it. The bank produced Mr. Prosser of Seymour, who was supposed to have called up Mr. Powell, and testified that the conversation was for a wholly different purpose and that Powell never recommended the stock. He also testified that when he spoke to Brass about it, Brass said: "It is so long ago one can forget."

Inquiry as to the bank as to the possibility of criminal complaints caused no information as to the future steps the bank intended to take.

Mr. LEMBKE announced that an appeal would be taken.

BEGINS THIRD TERM
Judge A. M. Spencer began his third term as judge of the municipal court on Friday. Judge Spencer was re-elected this spring without opposition.

OVER 700 CAR PERMITS ARE ISSUED BY POLICE

More than 700 police permits for the operation of automobiles have been issued by the police department thus far this season. The spring season has set a record for the number of new and used cars which have been purchased.

The department has several hundred sets of permit plates but the supply gave out and so they are now being used for the second time. They probably will be used a third time in some instances also. Plates are purchased for one dollar a set by car owners who show evidence of having applied for a state license. A refund of 75 cents is given the applicant when his state plates arrive and he returns those of the police department.

OOSTERHAUS BUYS HOME NEAR JUNIOR H. SCHOOL

The residence property of Elmer Koss, E. Wisconsin-ave., was sold Thursday to A. G. Oosterhaus, principal of First ward school who will take possession after June 1. Mr. Oosterhaus is principal-elect of the new Roosevelt Junior high school, and has secured the property on E. Wisconsin-ave. so that he will live near the school. The transaction was made through the firm of Carroll Thomas and Carroll.

DRY WORKERS QUOTE COURT ON PROHIBITION

The fifth of the series of posters denouncing the bootlegger and restoring prohibition, issued by the Interstate Prohibition association has been posted in the men's division of the Y. M. C. A. The I. F. A. is the student department of the World League Against Alcoholism.

The poster is entitled "The Test of Citizenship and contains a picture of the United States supreme court and its opinion on prohibition. The quotation reads: "That amendment (the eighteenth) by lawful process and ratification has become a part of the constitution and must be respected and given effect the same as other provisions of that instrument. It binds all legislative bodies, courts, public officers and individuals."

Oil heat is here and Nokol brought it

The day of oil heat is here. Nokol brought it. The success of automatic oil heating for the home dates from the day 7 years ago when the first Nokol was installed.

The leadership of Nokol, established at that time has never been challenged. Of approximately 75,000 automatic oil burners installed in the United States, by 150 manufacturers, 22,000 are Nokols.

Nokol leadership has been maintained by the principles of oil combustion the first Nokol laid down. In 7 years not one fundamental change in these principles has been necessary.

Its operating cost is less than that of coal. It is also the best of our knowledge less than that of any other oil burner, regardless of the grade of fuel used. Nokol efficiency makes possible the use of good fuel at the lowest cost.

To make certain you will have your Nokol for Fall, act now. Call for one of our engineers. Or send the coupon.

Beautiful—Durable—Inexpensive

For about half what you expect to pay for a rug, you can buy a Kimlark Rug—lovely in design and color, remarkably durable in weave and texture, soft in finish, smooth and noiseless under foot, waterproof, fire resisting, and impervious to moths. These beautiful rugs are finished on both sides, giving double wear. They are suitable for every room in the house, and so low in price that they can be used even for porches and summer cottages. Ask for them in the stores.

KIMLARK RUGS

THIS IS RIGHT TIME TO INVEST IN REAL ESTATE

Steady Improvement of Business
Augurs Well for Realty Investors

Babson Park, Mass.—A record volume of real estate transactions, together with a continued building boom new building permits were 11 per cent higher for March than the same month last year—has attracted much attention to the real estate market as an opportunity for investment. Roger T. Babson's analysis of the present real estate situation, made public today, is therefore of unusual interest.

"Real estate may or may not be a good investment," says the statistician, "depending upon three things: the fundamental situation and prospect for general business; the relative position of real estate in regard to other investments; and the position of the particular real estate investment under consideration."

"Fundamental conditions and the prospect for general business are of first importance because they control both the price and marketability of property. As we face improvement and the outlook is sound, real estate values tend to climb and building is active. As we pass a peak and recede toward depression values in the real estate field tend to freeze rather than actually decline. It is not so much the fact that the value of a piece of property actually declines but that it is impossible to sell it because no one is buying. It is poor business then to buy just before we enter such a period because you are tying your money up for a few years with little chance for enhancement of value. So far as increase is concerned the latest figures on assessment values and their trend between 1912 and 1922 show an increase of 73.4 per cent for the United States during these ten years, or an average gain of about 8 per cent a year. This increase, however, was not steady but probably took place in three or four years. The rest of the time values stood still. The present situation and outlook for general business is sound and the absence of negative or threatening factors favors real estate as an investment."

"The second consideration, comparative position of the other investment fields, is also favorable. Stocks and bonds are selling at relatively high levels while real estate in general has not experienced any such sudden boom. Relatively, real estate is more of a bargain than it was last summer. The great investment fortunes of America have been built by following the great basic law of Action and Reaction, by buying into a field where values are depressed and selling out as they reach a peak later on. Investment funds are placed in the field where prices are lower and are transferred to other fields as values shift and more favorable values appear. Judged on this basis the real estate market just now is relatively more attractive than stocks or bonds."

"The conditions surrounding each individual investment, however, must be considered and analyzed very carefully. Just because real estate as a field is attractive does not mean that every piece of real estate for sale is a bargain. Much depends on individual circumstances such as price, location, direction of city's expansion and relative marketability. A piece of property may be a sound investment at \$12,000 but a poor buy at \$15,000. Location may be a great advantage because of proposed improvements which will enhance its value or it may be a handicap if zoning or street widening for instance threatens to hurt it. Each locality is growing more rapidly in one direction than another. Property in the path of growth shoots up in value while equally attractive real estate in other sections stands still. Just as the increase of 27.4 per cent in the last ten years does not represent a steady increase in values neither does it represent an equal rise for all property. Some real estate has increased many hundreds per cent while other property is probably worth little more today than it was ten years ago. The average, however, is sound and by studying your local situation you should be able to pick property for investment that has more than the average chance for appreciation."

"The real estate mortgage also offers an investment opportunity that appeals to many. By selecting and buying mortgages on such property as you know you get a high degree of safety and an unusually good return. The real estate mortgage bond has also come into great favor these last few years and offers a convenient form of real estate investment for those who have limited funds or who have neither the time nor capital necessary to engage in

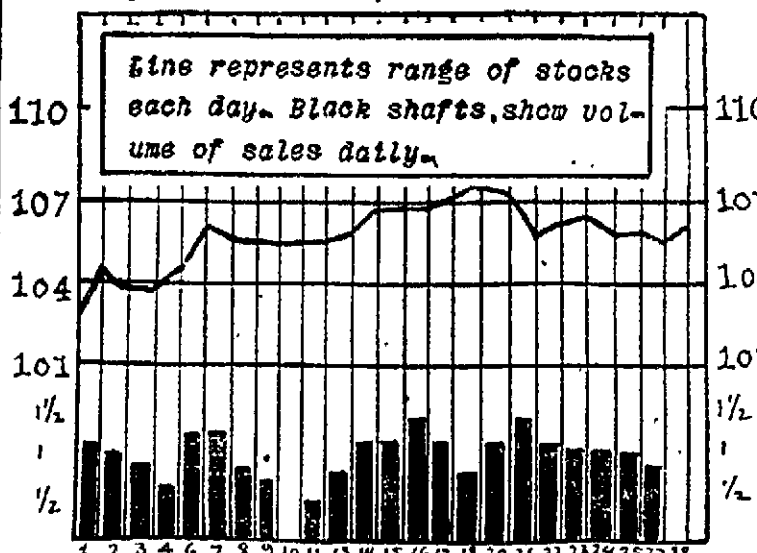

extensive operations themselves. These bonds pay specified rates of interest and are secured by a mortgage on definite property. Most of them are sound but all should be investigated carefully before they are purchased.

"The average man's first real estate venture is probably the purchase of a home. The advantages of home owning are many, and probably less important than several other considerations such as convenience, comfort, and peace of mind. Judged entirely from the cold blooded investment angle, however, the owning of a home still has its advantages. Careful studies of the situation in several cities lead me to believe that owning is as cheap as renting—although no cheaper so far as actual upkeep and maintenance is concerned. The average landlord, for instance, figures his rental to return from 10 per cent to 12 per cent on his investment. This gives him 6 per cent on the money invested and leaves him from 4 per cent to 6 per cent to cover taxes, insurance, repairs, depreciation and possible vacancy. At 10 per cent on his original investment he makes no money; at 12 per cent he may make a little but the renting of houses is not profitable as many people suppose. If the prospective home owner cares to compare renting and owning so far as upkeep and operation is concerned he can easily do so by figuring from 10 per cent to 12 per cent on the pur-

England And Germany Put New Puzzles Into Business

COURSE OF STOCKS IN APRIL

Average of Fifty Representative Stocks
Regained some of March Declines.

BY JOHN T. FLANN

New York—With most observers calling the business situation puzzling as April drew to a close, the return of Great Britain to a gold basis and the election results in Germany make that characterization all the more in order. Many financiers state very emphatically that the return of England to the gold standard is decidedly good for this country and that it will improve business here. Others insist with equal confidence that the German elections will make no change in our business relations with that country and that the whole lot is a good thing for business. Wall Street was quite satisfied that it meant a victory for conservatism that would help business. However, I have no confidence in any of these predictions. Mind I do not say they are untrue. I merely say these gentlemen do not know what they are talking about. The factors in such an operation as the English re-establishment of the gold standard are so numerous and the forces it will set in motion so complex that it is not possible to say with assurance what the effect here will be.

On the face of things it looks as if the English decision would result in draining away a good deal of our gold and sending prices up. On the other hand, unless prices in England and the United States are pretty well balanced there may be an unnatural and injurious flow of gold in one direction or the other according to which way the balance swings. Expert opinion seems to believe that there will be difficulties at first but that the long result will be good.

As to Germany it remains to be seen what effect the elections will have upon Germany's ability to get further financial aid from this country. Until that has been gauged, there is no use speculating about the effect of the Hindenburg election.

MORE PEACEFUL STOCKS
The month of April saw a slight gain in the stock market in the character of stability and in the price of stocks. March saw a very disturbing decline in stocks as measured by the average prices of 50 representative issues. But some of this loss was made up in April, though the full gains were not held. But at least the fall was checked and prices did not range so far as in the preceding month.

BUILDERS KEEP AT IT
It is now clear in spite of all predictions to the contrary, that the first half of the year will show a heavy volume of building completed and under way. In the first quarter of the year there was an increase in nation wide building of four per cent over the same period last year.

In the New York district building extensive operations themselves. These bonds pay specified rates of interest and are secured by a mortgage on definite property. Most of them are sound but all should be investigated carefully before they are purchased.

"The average man's first real estate venture is probably the purchase of a home. The advantages of home owning are many, and probably less important than several other considerations such as convenience, comfort, and peace of mind. Judged entirely from the cold blooded investment angle, however, the owning of a home still has its advantages. If the prospective home owner cares to compare renting and owning so far as upkeep and operation is concerned he can easily do so by figuring from 10 per cent to 12 per cent on the pur-

TEST STEEL TO BE SURE IT HAS RIGHT STRENGTH

Preparing Steel for Building Is
Complicated Process, Northern Company Says

All steel used by the Northern Boiler and Structural Iron works, one of the most important industries of Appleton, must comply with the specifications of the American Society for Testing Materials, which assures its strength and durability, according to officials of the mill. The material for structural work comes to the mill from Gary, Ind., or Pittsburgh, two of the greatest steel centers in the world, in the shape of beams, channels, angles, T-bars, flange bars, H-columns and plates, some of them weighing many tons each.

By means of oxy-acetylene torches and huge shearing machines these are cut into proper lengths for the purposes they are intended to serve. After they have been shaped properly holes are punched at the proper intervals for the placing of rivets, and after each piece has been coated with a graphite paint, it is ready for the structural workers.

Preparing steel for office buildings and the like is much more complicated than for bridges, officials of the Northern mill state. In most bridges there are very few angles, so that most of the pieces of steel used require very little cutting and drilling or punching. In a building, on the other hand, a great many short pieces must be riveted together at all sorts of curves and angles, and necessitate much complicated calculation. This is the chief work of the Northern Boiler and Structural Iron works.

Sometimes it is necessary to use pieces of steel weighing from five to seven tons. Huge derricks and pulleys are necessary to hoist them in place, and the utmost skill and judgment must be exercised to prevent serious accidents. The Northern mills have facilities for handling weights up to ten tons, but seldom are called upon to use them.

Hundreds of tons of steel are kept on hand in the yards of the mill, but this quantity is comparatively small for an industry of this kind. There should be more than 3,000 tons on hand at all times, according to mill officials, but owing to the limited space available, this is impossible. However, for all practical purposes the ton of metal in the yards are sufficient.

Show Huge Carpet Made By Children

TRUENUE TIME TO FISHER
PRAGUE—A unique specimen of art and at the same time perhaps the largest and most curiously designed carpet in the world is being displayed in a public hall of Prague. The carpet is a production of the Jeddica Institute for crippled children in Prague and in design it represents in symbolic fashion the surface of Bohemia, the rivers being represented by branches of the trees, characteristic to the territory through which they course, while the other complications in design symbolize the leading features of the different parts of the country, the situation of towns and other striking landmarks. The whole is blended in such a way as to produce a synthetic and harmonious impression, so that only on a closer examination the map or topography appears.

The carpet covers about 160 square metres, weighs 450 kilograms, has 5,000 knots and the plush stands an inch high. It is the work of ten children working after the design of Professor Benes of the School of Arts and Crafts.

The advantage of the investment is apparent. The gain comes in the appreciation, as we have noted it averages 7.94 per cent, and the extent of the gain depends upon the owner's skill in selecting the right kind of a home for an investment.

Crossword Puzzle

Small words most of them, but you may need all of today's half holiday to solve this puzzle. A few stickers are introduced.

- HORIZONTAL.**

 - To weep.
 - To paint with a nearly colorless, glossy liquid.
 - Eon.
 - Masculine pronoun.
 - Wan.
 - A heavenly bed.
 - Proposition of place.
 - A winning of all tricks in a game.
 - Unaccounted part of a measure.
 - A small line (naut).
 - Sliver, white alloy of tin and other metals used for tableware.
 - Female sheep.
 - Degree of compactness.
 - Portion of a circle.
 - Tall grass.
 - Nine plus one.
 - A journey (South Africa).
 - Slave of habit.
 - Departure.
 - To merit.
 - Loyal.
 - Pies, tarts, etc.
 - Strap holding shield on arm.
 - Human upper limbs.
 - For peep.
 - Knave.
 - Sheltered side.
 - To burn and smoke without flame.
 - Natural passage between sand banks.
 - Jaunt.
 - Opalescent.
 - Game played with cards having 15 numbers per card.
 - Lapsed.
 - Half an ome.
 - Hot.
 - To prepare for publication.
 - Part of verb to be.
 - House net.
 - Trodden.
 - Twice.
- VERTICAL.**

 - Frightful creature of the imaginary nation.
 - Second note in scale.
 - Solely.
 - That which is retained in mind.
 - Source of artificial lunge.
 - To stagger.
 - Speedy.
 - Sun god.
 - Assault.
 - Friend.
 - Lone, narrow inlet.
 - Confession.
 - Tan.
 - Inspired with fear.
 - Angers.
 - To hem.
 - Special kinds of food prescribed for medicinal purposes.
 - To care for medicine.
 - Auto.
 - To attempt.
 - Before.
 - Weapon.
 - Paralyzed.
 - Surface measure of a piece.
 - Order.
 - Sun.
 - Indefinite.
 - Avenger.
 - Thinks night of.
 - Breasts.
 - Worshipped.
 - Ornamental guitar.
 - Rhythm.
 - The other were.
 - Quick, fast.
 - Opposite of man.
 - To rent.
 - Negative.
 - Three food cloth.

SIX APPLETON TEAMS IN STATE LUTHERAN PIN MEET

Men And Women Fives Take Part In Big Tournament On Three Sheboygan Alleys

100 Rooters to Accompany Local Pinsters to Chair City for Matches

Six Appleton bowling teams will leave Saturday night for Sheboygan where they will roll in the Wisconsin State Lutheran Bowling tournament on Sunday. Reservations have been made for 80 local pin fans at the Chair-city and at least 100 will be on hand to back the local Lutherans. The meet has been going on for some time, most of the teams rolling on Sunday. This Sunday is designated as Appleton-Gothic day. The trip will be made by cars.

Two teams of women and four of men make up the delegation. Practically all of the men will compete in the doubles and singles also. The women bowl in a separate division and teams of the fair sex are taking the drives from all over the state. Sheboygan, Racine and Green Bay lead at present. Marks at the top of the lists are as good as any state tourney and the Appleton pin knights will have to step to get in the money class. A mark of 2780 heads the five-man division and 678 leads the singles. The Appleton teams are: Women: M. Brueggemann, A. Gold-brueggemann, C. Lamm, L. Brueggemann, B. Schulze, A. Wichman, L. Jahnke, E. Stach, M. Koepke. Men: T. Sauer, capt., W. Horn, H. Koestzke, J. Behnke, Jr., W. Bellinger, H. Wichman, capt., H. Schulze, J. Behnke, Sr., F. Weinkauff, W. Koehnke, D. Schabo, capt., H. Stach, E. Joecks, T. Boettcher, H. Schirr, H. Voeks, capt., A. Jahnke, J. Schultz, W. Voeks, R. Nehls.

GIBBONS, TUNNEY LIVER PUNCHERS

St. Paul Irishman Has Hooked so Often Neither of His Arms Is Straight

BY JOE WILLIAMS
New York—The writer does not look for a knockout in the coming digital dance between Gibbons and Tunney.

Yet if a knockout is produced on either side it will be the outgrowth and direct development of a left hook to the body.

Both Gibbons and Tunney are body punchers primarily. Tunney tells you his best blow is a short left hook to the liver. Tunney thinks that is a new punch embodying qualities that are lacking in the more commonly used solar plexus blow.

Of course it is not a new punch. No new punches have been introduced in boxing since Jim Corbett's heyday. Tunney's liver punch is older than himself. Nevertheless it is a good punch. It was the punch that stopped Carpenter, or at least started him on his way.

And the starting punch is always the most important. Almost any sort of tap deftly placed will stop a fighter who is in distress.

Gibbons is both a body and head puncher. Oddly enough, one of his most effective punches is a carbon copy of Tunney's left to the liver.

"But I think my best punch is a left hook to the jaw," Gibbons tells the writer. "It is mostly a daze—but sometimes it drops them cold."

Gibbons thinks the hook is particularly adapted to his style of milling. "The way I shoot the hook to the jaw is by keeping the left arm crooked at an angle sufficient to reach the opponent—the elbow on a parallel line with the glove and hitting with the movement of the body, not the arm."

Gibbons says he didn't know he had a damaging hook until the night he fought Tony Melchior at Toledo.

"I hooked it to Tony's jaw in the first round and he dropped like a ton of wet cement. I think I was more stunned than he."

Incidentally that was the beginning of Gibbons' long string of knockouts that led to the Dempsey match in Montana.

"I consider the hook a great punch," resumes Gibbons, "because it is aimed at the most defenseless side of an opponent—the right jaw. The natural boxer stands so that his left side is protected by his left shoulder. But the right side is wide open and easy to hit."

Gibbons has hooked so much with both his right and left that neither of his arms is perfectly straight. There is a very marked curvature in both. You notice this particularly when you see him in street clothes.

S. ROUEBUSH LEADS CITY WOMEN BOWLERS

Sylvia Rouebush with a score of 450 for three games held the lead in the bowling journey conducted on Elk alley Friday night to pick Appleton's champion women pinster. The meet will close Saturday night. Miss Rouebush's mark is good and may stand all assaults Saturday night.

Ellen Dunn with a mark of 429 stands second on the list and G. Schroeder is third with 394 pins to her credit.

New York—A working agreement between the New York state boxing commission and the South American Boxing federation was effected at a meeting of officials of both.

BEYER BALL TEAM SIGNS FOUR STAR VALLEY PLAYERS

Weinkauff, Gertz, Stegeman and Ansoorge to Wear Sentinel Uniforms

With the signing of three of the best pitching finds in valley baseball circles last year and one of the strongest batters, the newly-organized Beyer's Sentinels now are ready for a hard season. The men signed are Ray "Smoky" Gertz and Royal Stegeman of Kaukauna. Otis "Oats" Weinkauff of Appleton, and Noel "Ans" Ansoorge of Gillette. The team is practicing two or three times a week and games are being scheduled with the state's best semi-pro nines. Negotiations for games are underway with Monrovia, South Greenville Grange, New London Boosters. The team still has a few good open dates and any manager desiring games should write to Val Beyer, 225 N. Onondaga or E. G. Schueler, 123 E. College-ave.

George, the new outfielder, is a terror with the bat. As a member of the crack D. I. fraternity, a son of Lawrence college, he was a leading batter in the first league last year. He also played with the Fox River Paper Co. during the summer of 1924, closing the pill for a 400 average and slugging hard in the pinch. Weinkauff starred for four years at Appleton high school where he hung up marks of 12 to 16 strikeouts in class games. He has pitched for the D. I. fraternity for three years and for the Lawrence intercollegiate team as a frosh. During that year the team met the strongest colleges in this state and Illinois. His latest feat was a no-hit, no-run game in the opener of the 1925 first league.

Gertz and Stegeman need no introduction to local fans, both having pitched for the Kaukauna State League team in 1924. They are products of Stormy Kromer's Homeplayer league and have played semi-pro ball for several years. With these three pitching stars, and Ashman, local athlete behind the pan, the Sentinel battery is one of the best in state semi-pro circles.

MIDWEST ATHLETES DO WELL AT PENN RELAYS

Chicago—Middle-western athletes did well at the Penn relay games held at Franklin field, Philadelphia, last week.

In the eight individual events, representatives from universities or colleges west of the Alleghenies won four first and tied for top honors in another.

Joe of Kansas topped the high jump with a leap of 6 ft. 3 in.; Northrup, Michigan, won the javelin, heaving the stick 193 ft. 11 1/2 in.; Hubbard, also of Michigan, landed first in the century dash, being clocked in 9.45 seconds; Wood of Butler showed the way in the broad jump, leaping 24 ft. 1/2 in. and Harrington, Notre Dame, got a tie in the pole vault, at 12 ft. 6 in. He won the toss for the first place medal.

Besides this untied, Snyder and Irwin, Ohio State, and Frieda, Chicago, also took down points.

All in all, the middle west fared well in the special events against competition that smacked of an international flavor.

MICHIGAN U. HAS STAR ATHLETE IN DICK DOYLE

Michigan has a great two sport star in Dick Doyle, a junior. Doyle plays a nifty game at center in basketball and shines in the weight events on the track team. He is one of the best "double" athletes since the days of Harry Kipke.

Sisler Clouting Ball Hard For Start Of Year

Chicago—George Sisler, pilot of the St. Louis Browns, has started on a rampage of batting to fulfill his prediction that 1925 will be his greatest season in the American league.

The St. Louis star, completely recovered from impaired vision that dimmed his batting for two years, has collected one or more hits in every game since the season opened, giving him an average of .424. Sammy Hale of the Athletics is leading the batters with an average of .462, but he has played in only ten games, compared to fifteen for Sisler, the runner-up.

The record for consecutive hitting in the American league is held by Sisler, who, in 1922, hit safely in 41 games. To date he has belted 25 safe blows in the first fifteen contests of the race. The figures are based on averages, including games of Wednesday.

Jameson of Cleveland and Marty McManus of St. Louis are tied as run getters with fourteen each. Glyn Myatt, Cleveland catcher, has made four home runs for the lead, and Johnny Mott, first foot outfielder of the Chicago White Sox is making a runaway race for the basestealing honors. He is leading with ten, while Eddie Collins, White Sox manager, and last year's leading base stealer has pilfered only three.

Other leading batters in ten or more games: Bishop, Philadelphia .415; Goslin, Boston .392; Judge, Washington .387; Poole, Philadelphia .385; Combs, New York .378; McManus, St. Louis .373; Gaffney, Cleveland .370; Sheeley, Chicago .368.

Veterans sluggers of the National league have deposited the newcomers who graced the spotlight during the first week of the season.

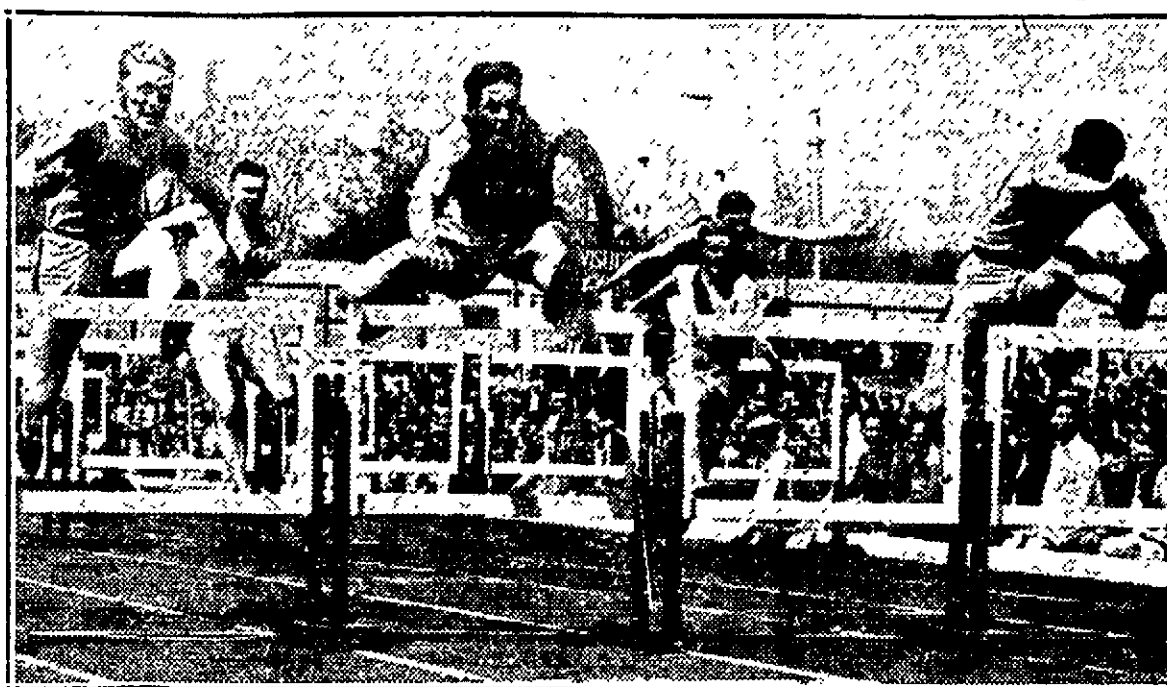

Zack Wheat, star fielder of the Brooklyn Dodgers, by cracking out sixteen hits in six games, boosted his average of .323 to .462 and today is setting at the head of the procession. Jimmy Bottomley of the Cardinals, threatening the Dodger veteran, with .442, Rogers Hornsby, of the Cardinals, champion 1924 batter is gradually climbing to the top of the list. He is in third place with .432, a gain of 38 points over a week ago.

Gabby Hartnett, pepper catcher of the Chicago Cubs, is holding the honors in three departments. He has scored 15 times, is leading in total base hitting with 44 and is in a class of the league in hitting homers, having smashed out seven.

There has not been much activity shown in base stealing since the start of the season, or also the wins of the catchers are in great shape for this early in the race. To date, Glus Heathcote of the Cubs has stolen four bases, for the lead.

Other leading batters: Foust, Philadelphia .389; Holme, Philadelphia .378; Hartnett, Chicago .373; Moore, Pittsburgh .372; Bancroft, Boston .359; Cuyler, Pittsburgh .354; Johnston, Brooklyn .348.

TOPPING THE BIG TIMBERS—THREE ABREAST

One of the most thrilling races in track athletics is the high hurdle event. It's full of action and intensely exciting all the way, especially where the competition is keen.

In the above picture we find Guthrie, Ohio State star, winning the finals in the 120-yard high hurdles in a remarkably close finish with Kinsey, Illinois, and Taylor, Grinnell, at the Drake relay games last week. The time was 14.45 seconds, equaling the carnival record.

Guthrie is second from the left, with Kinsey on the extreme right. Taylor is at the left of the photo.

Scott, Major League Vet, May Yet Feel Hand Of Time

New York—A new menace Saturday threatens the playing record of the veteran Yankee shortstop, Everett Scott.

Victor over sickness, injury and transportation tups of 11 years in the major leagues, Scott, who has established a mark of playing in more than 1,800 consecutive games, may be compelled soon to bow to Father Time.

With the New York team steadily slipping—they dropped another one Friday to the tall-tand Boston Red Sox 7 to 5—word emanated from the Yankees camp that Manager Huggins is seriously considering the replacement of Scott by young Wanninger, when the Yankees return to New York Sunday to open a series with the Athletics.

Now thirty-three years old, Scott is beginning to show the effects of his long career at a period when the New York team can ill afford it. The fates were unkind Friday to the Athletics who were within a game's grasp of the American League lead. A five-run rally by the champion senators in the fifth, with the score tied at 3 all, put the Philadelphia's back in third place.

In spite of the fact that his players bombarded two pitchers with 14 hits Ty Cobb was unable to separate his Detroit Tigers from their losing habit, and the Cleveland Indians advanced to second place as a result of their victory, 8 to 7, in ten innings.

The Browns lost another game to the White Sox, 9 to 5, but St. Louis fans took comfort in the extension of George Sisler's batting streak. By making two singles, Sisler established a record of having hit safely in 16 consecutive games. Only two games were played in the National League. A home run by Pensacola with two on bases in sixth inning gave the Phillies a decision over the Braves and the Chicago Cubs climbed to within a single game of the leading Giants by a win over the Cardinals. A score of 6 to 4 ruled in both games.

New Orleans, La.—Pat Moran, lightweight, knocked out "K. O." Leonard in the ninth round.

Fargo, N. D.—Al Holzman, of Trenton, N. J. and Billy Petrolle, Fargo lightweight, fought ten rounds to a draw.

ARMY POLO TEAM WINS FROM ALDERSHOT SQUAD

London—The army polo team, which has been practicing at Aldershot since its arrival, defeated the Aldershot Polo club team Friday 14 to 2, in a six chucker game. It was the Army's first match against an English commission since their arrival. They played an excellent game, featured by accurate goal shooting.

BUSY SUMMER AHEAD FOR MANY BOXING FANS

With the Gibbons-Tunney, McTear-Eberbach, Wills-Welnet and Walker-Grub bouts on the card, it certainly looks like it's going to be a busy summer, pugilistically speaking, at least. It's been a long stretch since such a pretentious program has been offered ring followers.

WARHOP AND MILLER PLAY SEMI-PRO BALL

Two former major league players, Jack Warhop and Otto Miller, are now playing semi-pro ball in and around New York. Warhop, in his big league days pitched for the Yankees while Miller was a catcher with Brooklyn.

H. COLVIN TAKES BLUE DIVE MEET

Appleton Swim Star Cops 1925 Lawrence Intermural Title from Strong Field

Showing almost perfect form in several of his dives, Harry Colvin, Appleton, copped first honors in the Lawrence Intermural diving contest for 1925 Thursday evening at the Y. M. C. A. pool. Colvin has been a star member of the local association swim team for four years and is a former Appleton high school all-around athlete. His total mark Thursday night was 73.4 points.

Brice Melnis, star of the Blue swim team finished second with 66.7 points. Melnis furnished the surprise of the recent Lawrence Y. M. C. A. meet when he defeated Kevin of the "Y" squad in the dives by less than a point. Kevin had been picked to win.

Harold Zuehlke, Appleton swimmer, took third place with a total of 65.15 points and Ancil Rich, another local boy and Lawrence Intermural swimming champ for the last two years, copped fourth with 63.7 points. Last place went to Howard Anderhold with 49.9 points. Each man went through four required dives, the running front, the back, the running forward jack knife and the back jack, and three optional dives.

Colvin will receive the 1925 Lawrence Intermural diving medal for his efforts.

STEVENS POINT HITS BLUES IN TRACK MEET

Stevens Point Normal track team, leading contender for 1925 state normal honors, arrived in Appleton Saturday morning where they were to meet the Lawrence college crew in a dual meet in the afternoon. With eight vets and several normal school record holders in the Point ranks, the Blues were scheduled to hit the strongest preliminary meet they have been through in years.

WOMEN-CHAMPS DEFEAT PAIR OF MEN IN GOLF

Stoke Porges, Eng.—Miss Glenna Collett, former American woman golf champion and Miss Joyce Wethered, the British woman champion, Saturday defeated Cyril Tolley and E. F. Storey, two up, in the annual men vs. women invitation foursomes here. The women received a handicap of one stroke on all the even numbered holes.

Detroit—Harry Greb, world's middleweight champion defeated Romero Paz, Chilean boxer, in ten rounds.

APPLETON HIGH NOT TO MEET NEENAH ON TRACK

Chances for an interscholastic track meet between Neenah and Appleton high schools, rivals for years on the basketball court, are very slight, according to Jule Kevin, coach of the Orangemen. Coach George "Nig" Christoph of the Red and White crew visited at the local school Wednesday afternoon in an effort to arrange a dual meet between the old rivals, but the Kevinmen have practically a full schedule. Kevin must get his interclass meet off before May 16 to pick a team for the valley conference meet. Appleton may enter some men in the state meet on May 23, if any show promise on May 16, and the local school closes on May 29.

Chrysler Alone Gives Chrysler Results

How highly the public prizes Chrysler performance, Chrysler riding qualities, Chrysler economy and Chrysler appearance is abundantly indicated by the car's constantly increasing popularity. The simple fact is that the Chrysler Six—and only the Chrysler—delivers results the public is eager to enjoy.

This is perfectly understandable when you really know the car, what it is like and what it does. It is unlike all other cars. With a touring car weight, ready for the road, of 2875 pounds, the Chrysler Six can be driven in comfort at 60 miles and upwards over rutted roads and cobbled streets.

Owners will tell you what these typical Chrysler features mean in finer riding qualities and greater security of control. But no accurate conception is really possible unless you ride in the car. We are always eager to give you that opportunity.

The Touring Car . . . \$1395
The Phaeton . . . 1495
The Roadster . . . 1625
The Sedan . . . 1825
The Royal Coupe . . . \$1895
The Brookton . . . 1905
The Imperial . . . 2065
The Crown-Imperial . . . 2195

All prices f. o. b. Detroit subject to current government tax. We are pleased to extend the convenience of time-payments. Ask about Chrysler's attractive plan. Chrysler dealers and superior Chrysler service everywhere.

MAKE KIMBERLY B. & L. CAPITAL STOCK MILLION

Stockholders Vote Increase to
Permit Continued Home-
building Growth

Special to Post-Crescent
Kimberly—At a meeting of Kimberly Building and Loan association in Kimberly clubhouse Thursday evening the stockholders voted to increase the capital stock of the association from \$250,000 to \$1,000,000. The meeting was open to the public but was not attended by many people other than stockholders.

Before the vote was taken, the members were informed that this increase in stock did not mean that they would have to invest more, but that the association was going to become larger. The change was made so that the organization would not be limited in its home-building development.

The Rev. F. X. Van Nistelrooy spoke on the moral effect of such an organization in the village and compared the village of Kimberly with several others in the state.

Daniel P. Steinberg of Appleton, then gave a talk on the business and objects of the organization. He gave several financial reports of Appleton Building and Loan association and answered questions which were brought up by several members.

The question of advertising and setting the public interested in the association was also discussed but no conclusion was arrived at as to advertising.

Kimberly Dramatic club has started practice on a new drama which is to be presented in Kimberly clubhouse in about three weeks. The drama is called "The Confession," adapted from father Spillman's story "A Victim of the Seal of Confession," by the High Rev. Messrs. Holweck.

The play is being directed by Mr. and Mrs. J. F. Bannister of Appleton. Mr. and Mrs. Bannister have done noted work throughout the Fox river valley, and are widely known.

The boy scout troop of Kimberly public school organized under the leadership of Principal F. F. Jilison held its first outing Tuesday, April 23, at Sunset point. The meeting was for the purpose of acquainting the scouts with the program which was to be followed. Many excursions have been planned during the coming summer.

Scoutmaster Jilison said the purpose of scouting is to get boys into the open and give them good healthy out-of-door work. Baseball was played, one squad pitted against the other until 6 o'clock at which time all gathered around the fire roasting potatoes and wieners. The feast was enjoyed by all of the 16 members. Following the feast a talk was given by Scoutmaster Jilison, who explained the purpose of scouting and asked the boys if they really wanted to go on and have another troop. All of the boys were very much in favor and wished that scouting had been started sooner. Assistant Scoutmaster Paul Locks Schmidt will take charge of most of the outdoor activities of the public school troop, working hand in hand with the Rev. Father Raymakers, scoutmaster of troop 1. There will be an outdoor meeting every Tuesday night at which time mental, moral and physical requisites are met by the boys. Since organizing the public school troop approximately 80 per cent of the boys are ready for their tenderfoot examination.

tions which will be given in the near future.

State Supervisor G. Landgraf, with A. G. Meating, county supervisor, inspected the school building and organization of the faculty and subjects. They expressed great satisfaction at the modern and approved style in which Kimberly is meeting educational needs. Mr. Landgraf, emphasized the point that the Kimberly public school is one of the strongest institutions of its kind and class in the state.

The regular meeting of the Ladies Aid society was held at Kimberly clubhouse Thursday afternoon.

Mr. and Mrs. Alfred Willis and family spent the weekend with relatives at Crivitz.

Mr. Peter Ebbesen was taken to St. Elizabeth hospital at Appleton Saturday morning, April 25.

Mrs. Ray Chipman of Oshkosh, visited at the home of Mrs. Edward Albers Wednesday.

Mr. and Mrs. William Lucas and Mr. and Mrs. Dewey Boyce spent Sunday April 26, at Green Bay.

Mr. and Mrs. R. A. Lillierap and Mr. and Mrs. Glen Frees visited relatives at Tustin Sunday, April 26.

Miss Isabelle Wagner, formerly of Kimberly, was married to George Benedict of Butte des Morts April 21.

Official Proceedings.

Council Chambers, Appleton, Wis., April 23, 1925, 8:00 P. M.

Council met pursuant to adjournment, Mayor Goodrich presiding, all Aldermen present.

The Mayor appointed H. R. Beeke a member of the library board to fill vacancy caused by resignation of Wm. Fountain. On motion same was confirmed by the Council.

Mayor appointed Aid. Geo. T. Richard as the aldermanic member of the Library Board. On motion same was confirmed by the Council.

Moved and carried that Mayor have charge of appointments at swimming pool.

Board of Public Works reported and recommended that the Council enter into contract with the several bidders as reported for Junior High School equipment for Roosevelt and Wilson Jr. High Schools, and that they insert in contract clause for future purchase of Fourth District Jr. High School equipment at same rate and condition.

Recommend that the Council instruct the Board of Public Works to build walks and do the necessary grading at both Jr. High Schools.

On motion that the report be adopted and the work done as directed the ayes and nays were called, all Aldermen voted aye, adopted and so declared.

Remonstrance against sewer in Welmer Street, petition for sewer in W. Washington Street, and resolution for wall on Water Street referred Committee on Streets & Bridges.

Remonstrance against widening Johnston Street referred Committee of the Whole.

Tentative plans for swimming pool, were referred Committee of the Whole.

Plans and specifications for paving were referred Committee of the Whole.

Communication from the Park Board referred Committee of the Whole.

Resolution for sewer in Harrison Street referred Committee of the Whole.

Plans and specifications for Jr. High School in 4th District referred Committee of the Whole.

April 29, 1925.

To His Honor, the Mayor, and Common Council.

Gentlemen: Your Committee on Streets and Bridges beg leave to report and recommend as follows:

That Street Committee be instructed to engage an Engineer to make sewer survey.

That, City Engineer be instructed to order a barrel of paint to finish bridges, also two grader blades, and a supply of Fiber and chain links for sweeper.

That, Badger Avenue be scarified and rolled from College Avenue north to Wisconsin Avenue.

That, catchbasins be ordered built

at the corner of Mason and Loraine Street and Mason and Oklahoma Avenue.

The all manholes on Richmond Street have over-flows connected with storm sewers.

That City Engineer be instructed to make survey of Washington Street between N. Bennett and N. Story Street to ascertain correct line of alley.

That sidewalk be ordered on east side of N. State Street from Sherman Place north to connect with present walk, and expense of same be charged to city as per stipulation in easement given to the city by property owners.

That aprons be built on north side of Commercial Street crossing Fair Street and on west side of Fair Street crossing Commercial Street.

That bid of App. Auto Company of \$1,621.00 for 1 1/2 ton Reo truck with body, complete, be accepted.

That, City Engineer be instructed to make a survey of W. Washington Street between N. Walnut Street to establish street line and grade.

Respectfully submitted,

Chas. Fose, Chairman.

Resolved, That report of Committee on Streets & Bridges be adopted and work ordered done according to said report.

On motion to adopt, the ayes and nays were called, all Aldermen voted aye, adopted and so declared.

Petition for Water on Fourth Street, referred Committee on Fire and Water.

Application and bond for class "A" permit Oscar Gmeliner, and Jos. Ashauer, referred Committee on Police and License.

Application and bond of Wm. Wendlandt for sewerage license presented, and on motion same was granted.

Resolved, That the request of the Poor Commissioner, Mr. J. J. Jilison, for one month leave of absence be granted, and that the duties of his said office shall be taken care of by a competent person at Mr. Jilison's own expense, during his absence.

Committee on Poor, R. F. McGillan, Chairman.

On motion same was adopted.

By Aldermen Catlin, Earle, and Smith.

Whereas, the cities of Neenah and Menasha have petitioned the Wisconsin Highway Commission for state aid for bridges over the Fox River on state highway 15 at Neenah and Menasha, and

Whereas, the taxpayers of the city of Appleton have erected a bridge known as the Cherry Street bridge across the Fox River, without aid from the State of Wisconsin up to this time and at an expense of \$210,000.00, which said bridge was erected to relieve the congestion on highway 15, and for the purpose of eliminating several dangerous railway crossings, and

Whereas, the approach of the south end of the Cherry Street bridge for a distance of 500 feet lays outside of our county and within Winnebago County, and the city of Appleton has no power to open up the same for a proper approach to said Cherry Street bridge,

Now Therefore Be It Resolved, by the Mayor and Common Council of the city of Appleton that we do hereby protest the giving of state aid for new bridges to neighboring cities until such time as the south approach to the Cherry Street bridge has been taken care of by the Highway Commission of Wisconsin.

Be It Further Resolved, That a

copy of this resolution be sent to the Wisconsin Highway Commission.

On motion same was adopted.

Council resolved itself into the Committee of the Whole, Alderman Callahan called to the Chair.

Committee of the Whole arose at 10:20 P. M. and reported as follows:

That permanent plans and specifications be ordered made for swimming pool and Committee on Public Grounds and Buildings enter into contract therefore with Edw. Wetengel.

That resolution for sewer on Harrison Street, by Alderman Fiedler, be adopted.

That the paving of Johnston Street be eliminated from the 1925 paving program.

That the Mayor appoint a committee of 3 to obtain prices and options on property for Fifth Ward playground and report back to this Council.

That plans and specifications for paving several streets be adopted and that Board of Public Works be instructed to advertise for bids.

On motion report of the Committee of the whole was adopted.

Resolved that plans and specifications for sewer in Harrison Street from Brewster Street north to city limits be adopted and Board of Public Works instructed to advertise for bids and make assessment of benefits and damages.

On motion to adopt, the ayes and nays were called, Aldermen Callahan, Fiedler, Fose, Hassman, McGillan, Richard, Thompson, and Zilske voted aye, and Aldermen Catlin, Earle,

Smith, and Steinhauer, voted nay, resolution declared adopted.

Whereas, plans and specifications for paving:

Cherry Street from Prospect to College Ave. Richmond Street from College Ave. to Wisconsin Ave. Laws Street, from Wisconsin Ave to bridge over Fox River. Meade Street, from College Ave. to South Street. John Street, from Laws to Meade Street. Drew Street, from College Ave. to Water Street, from College Ave. to North to Pacific Street. State Street from College Ave. to C. & N. W. R. of W. Durkee Street, widening, from College Ave. to Johnston Street having been presented by the Board of Public Works in accordance with instructions heretofore given. Now Therefore Be It Resolved, That said plans and specifications are hereby adopted as reported, and the Board of Public Works, is hereby directed to advertise for bids for doing said work, in accordance with section 62.15 of the Statutes.

On motion to adopt, the ayes and nays were called, all Aldermen voted aye, adopted and so declared.

Resolved, That the Board of Public Works be instructed to advertise for bids for paving Appleton Street between Lawrence and Prospect Streets according to plans heretofore adopted and on file in the office of the city clerk.

On motion to adopt, the ayes and nays were called, Aldermen Callahan, Fiedler, Fose, Thompson, and Zilske voted aye, and Aldermen Catlin, Earle, Hassman, McGillan, Richard, Smith, and Steinhauer voted nay, motion was declared lost.

Moved and carried that plans and

specifications for Fourth Ward Jr. High School be adopted.

Resolved, That this council meet with the Park Board to discuss Tourist park proposition. On motion same was adopted.

Moved and carried that the Mayor appoint a committee of three (3) to get options on 5th Ward Park property. The Mayor appointed Aldermen Hassman, Callahan, and Zilske.

Mayor submitted corrections to appointments of standing committees as follows:

Finance—Thompson, Catlin, Fose, Richard, McGillan, Zilske.

Police and License—Hassman, Smith, Fiedler.

Judiciary—Steinhauer, Earle, Fose. On motion appointments were confirmed by the Council.

On motion Council adjourned.

E. L. Williams, City Clerk.
